THE DURBIN FAMILY

#150

③ maybe Christopher was Drusilla's father.

Phillip Durbin was born in Maryland about 1781. He was the son of **John Durbin** (bonn about 1734) and grandson of **Samuel Durbin** (1704-1752). **Phillip** was the progenitor of the Durbin family in Gasconade County with descendants marrying into at least three branches of the Crider family. Following the American Revolution large numbers of the Durbin family moved from Maryland to Kentucky. The exact time of their arrival in Kentucky is not clear, except we have the marriage record of **Phillip Durbin** to **Lucy Logsdon**, daughter of **Elisha Logsdon**, in Madison County, Kentucky on 2 August 1800.

The Durbins were of the Catholic Faith and have been well written by Church historians. The location of the **Phillip Durbin** homesite in Madison County, Kentucky has been described as being on Drowning Creek and in the area now contained in the confines of the Blue Grass Military Arsenal. **Phillip** was regarded as a "famous controvert" by writers. Sometime prior to 1830 **Phillip and Lucy Durbin** and their large family moved from Kentucky and relocated in Sangamon County, Illinois. They remained there a few years and by the late 1830's had migrated to the west and settled in Gasconade County, Missouri, where he has been given by historians as having been the first shoemaker at the village of Cleavesville. The exact relationship of **Phillip Durbin** and **Drusilla Durbin** who married **John Reed** is unknown to us, except that they were closely related and probably cousins. **Phillip** and his family arrived in Gasconade County within a short time after **John and Drusilla Reed** had relocated there from Franklin County, Missouri where they lived near Eureka. **Phillip's** oldest child and daughter **Mary "Molly"** had married **Samuel Hendrix** about the time the move from Kentucky to Illinois was made. When the move was made to Missouri the family of **Samuel and Mary Hendrix** also moved west, but did not settle in Gasconade County. Instead, they continued a bit farther west and settled in what was then Pulaski County, but in an area that later became Wright County and still later became a part of Webster County, Missouri. See Hendrix family, chapter XI. **Phillip and Lucy Durbin** were the parents of at least ten children most of whom grew to adulthood and also came west to Missouri where they established themselves. They are given as follows:

(1) **Mary Durbin**, who married **Samuel Hendrix**.
(2) **Edward Durbin**, who married **Margaret Hendrix**. She later married **Joseph Crider Sr.**
(3) **Phillip Durbin**, who died young.
(4) **Malinda Durbin**, who married **Valentine Rogers**.
(5) **Nancy Durbin**, who married **Dan Barbarick**.
(6) **Elizabeth Durbin**, who married **Samuel McKenzie**.
(7) **Lucy Durbin**, who married **Hiram Reed**.
(8) **Christopher Durbin**
(9) **Sarah Durbin**, who married **John McKenzie**.
(10) **John Durbin**, who married **Isabell Crider**. She was the daughter of **Daniel Crider Jr.** and his first wife **Elizabeth Reed**. For family and descendants see **Daniel Crider Jr.**, chapter VII.

On arriving in Gasconade County, **Phillip Durbin** acquired approximately 160 acres of land that is located across the road to the north of the Old Catholic Cemetery which was later sold by his son **John Durbin** to **Henry Stadtlander** which, over the years, has come to be known as the Stadtlander place.

Phillip and his wife **Lucy** made their home there for the remainder of their lives. They are shown in census enumerations ugh 1850, and it is apparent that she died in the decade of 1850-1860. **Phillip Durbin** is shown in the census of 1860, and was then aged seventy-eight years and was living in the household of the family of his son, **John Henry Durbin**. He died sometime in the decade of 1860-1870. **John Durbin** conveyed the land to **Henry Stadtlander** on 7 December 1866. It is to be assumed that his father **Phillip Durbin** had died a short time prior to the date of this transaction. **John Durbin** and his family

I know all about Philip, have all his children etc. You still did not tell me how you tie in to this line.
What are your sources for Christopher marrying a Margaret Parkinson?????

Philip Durbin married the daughter of Edward Logsdon 11 and wife Mary Ann"Polly"Brown. Edward 11 was the son of Edward 1 and wife Sarah McQueen.
Mary Ann"Polly" was the daughter of John Brown who died in MD and named her in his will ca 1808. Naturally Edward 1 was son of the immigrant William Logsdon.

Groom
Sources:Madison County Marriages Philip Durbin bond date 02 August 1800
Bride
Lucy Logsdon bondsman James Logsdon father of the bride Edward Logsdon
James B Logsdon was Lucy's brother.
Besides I have Elisha Logsdon's will, and all his children are named. I have his whole line. I also have Edward 11 line, all 14 of his children and most of their descendants.
And it is well documented. There is a lot of mistakes out there and I am sure I will make mine but I am extra careful in my research.

Source of Mary Ann"Polly"Brown being the wife of Edward Logsdon 2nd is
Brown County Illinois History page 476: "Aaron Logsdon was born in Madison County Kentucky May 7,1821. His grandfather was Edward Logsdon, a native of Maryland,
who moved to Kentucky in early life, where the 13 children were born. The mother of this family was Polly Brown also a native of Maryland. George Logsdon, the father
of the suject of this notice, was the youngest of this family." This is in the biographical review of Cass, page 476.
Note it states 13 children where the KY history stated 14 children. I believe when he made the statement he was speaking of the other 13 children, since his father was the 14th child. Note he also says the children were born in KY, which is in error.
Source of Mary Brown's father: Years ago before I started the search of my 4th greatgrand mother I was on "Prodigy" and conversed with a man that was researching the McQueen name. He actually gave me the info of John Brown naming
"Mary Logsdon" in his will. I do not have a copy of the will, but it was written in 1802 and probated after his death in 1808, in Frederick or Baltimore County MD". Polly's
son that married the Durbin female is John B.(believed Brown)Logsdon. Do not
forget Dugal named his SIL John Brown in his will. I do not have a good source but there are some deeds in Balt. MD that name John Brown's wife Elizabeth. So Edward Logsdon married his first cousin, since Edward 1st had married Sarah McQueen.
I have a meeting with the United Daughters of the Confederates today, so I will send Philip' children on Sunday.

My meeting went fine. The following are the children of Phillip and Lucy Logsdon Durbin, may not be listed in order of birth:

1. Sarah Durbin married John MacKenzie 3 May 1820 Madison Co Ky f/b Philip, f/g John. Sarah Durbin died before 1849 as her husband remarried Mrs. Charity Virden Davis a widow in Christian Co. ILL ca 20 Dec. 1849.
2. Christopher Durbin married Margaret Brown 23 Nov 1823 in Nelson Co.KY by F.P. Kendrick RCP. Parents of the bride Caleb and Honor Durbin Brown. The bond for this marriage was obtained in Hardin Co.KY.
3. Edward Durbin married Margaret Hendrix/Hendricks 3 March 1829 Estill Co.KY. Edward died before 1841 and his widow married Joseph Crider in Gasconade Co. Mo.
4. Margaret b. ca 1813 married John Johnson 04 March 1833 in Sangamon Co. Illinois and they are on the 1850 census in Gasonade Co. Mo.
5. Elizabeth Durbin married Samuel MacKenzie in Macon Co. Illinois 11 Dec 1836 and I believe she died because I have another marriage for Samuel. They may have one child born 1838-Elizabeth Mackenzie.
6. Malinda Durbin married Valentine Rogers 29 November 1839 Gasconade Co. Mo. Malinda may have died because Valentine's wife is Margaret on the 1850 census.
7. Nancy"Annie"Durbin married Daniel Barbarick 05 November 1840 in Gasconade Co. MO.
8. Lucy Durbin b.ca 1826 married Hiram Reed 09 August 1847 Gasconade Co. MO. Henry Reed was the s/o of Henry Reed Jr. and Rachel Robison.
9. George Durbin born 22 April 1827, baptised 06 May 1827 St Pius Church, White Sulphur, Scott Co. KY son of Philip and Lucia Durbin. I believed this son died.
10. Margaret Durbin is believed to have married a Samuel Hendrick. She and Samuel appear in this same church as in # 9. They were both baptised as "adults" on March 3, 1829.

By 1830 Philip Durbin was in the 1830 census of either Sangamon,Christian or Morgan Co. ILL. I did not copy that census but he was listed next door to Samuel Hendrick/Hendricks. Philip had no male childred but 3 females that would be the ones that married in Gasconade Co. MO.

I am a descendant of a John Durbin and Isabella Crider. In the 1860 Gasconade Co MO census Page 165, Philipp S Durbin age 78 born Maryland is listed immediately after John and Isabella Durbin. I wondered if this could be John's father and therefore my GGGgrandfather? I would appreciate any information you may supply. Thanks.

Patrick Moreland of Maryland

Prepared by: Rob Moreland / Mobile, Alabama / Created on May 28, 2001.

George^{4} Moreland (*Jacob*^{3}, *Jacob*^{2}, *Patrick*^{1}); George was born 1775 in Port Tobacco Parish, East Hundred, Charles Co., Maryland; he married Hannah (?). Hannah's maiden name is not yet known, nor is the date and location of her marriage to George; George died after August 30, 1853 in Maries Co., Missouri, at an unknown age; he was a buyer at an Estate Sale January 11, 1815 in Jefferson Co., Tennessee.

He migrated from Maryland with his family to South Carolina then advanced on to Wilkes Co., Georgia where he first appears in 1797. George was to remain Wilkes County until about 1809 when he removed to the York District of South Carolina. George's sister, Sarah (or Sally) made her home in Wilkes County as well, she having married William Russell, son of John Russell, of that county. George's Wilkes County years do not appear to have been particularly prosperous for him. The Wilkes County Tax Digests show that George did not own any land during this time. He drew blanks in the Georgia Land Lotteries of 1803 and 1805. George witnessed a deed from John Combs, and Milley, his wife, to John Bailey on September 4, 1797 in Wilkes Co., Georgia.[87] George failed to register to pay his property taxes 1799 in Wilkes Co., Georgia.[88] George registered to pay taxes in 1805 in Wilkes Co., Georgia; Poll Tax.[89] He attested to the validity of Elijah Johnson's will on March 3, 1806 in Wilkes Co., Georgia.[90] He was appointed to handle John Russell's estate on December 10, 1807 in Wilkes Co., Georgia.[91] He was appointed to handle John Russell's estate on March 8, 1808 in Wilkes Co., Georgia.

George migrated from Georgia to York District, South Carolina, circa 1809. He probably moved to his widowed mother's farm as his father, Jacob, had died previously in 1808. George was listed as the head of a family on the 1810 Census in York District, South Carolina. The household consisted of 1 male 26 to 45, 1 male 10 to 16, 2 males under 10, 1 female 16 to 26, and 1 female under 10.[92] The State of South Carolina granted he land on May 4, 1812 in York District, South Carolina. The grant was issued pursuant to a legislative act passed February 19, 1791, establishing a mode of granting vacant land. The property was described as 240 acres, surveyed March 24, 1812, on waters of Turkey Creek, waters of Broad River, bounded by lines of William Gibson (NW), Latham (SW), the heirs of John Palmer, Esq. (SE), and Montes Land (NE); "wherein George Moreland and Widow Moreland lives." The "Widow Moreland," in all probability was George's mother, Celia Moreland, widow of Jacob Moreland, and it is likely that the land itself was Jacob's old farm.[93]

He moved from York District, South Carolina, to Jefferson Co., Tennessee, circa 1813. On June 15, 1818, as George Moreland of Jefferson County, he bought a 297 acre tract in Jefferson Co., Tennessee, located in the district south of the French Broad and Hoston Rivers, on Muddy Creek. He later sold this tract on February 22, 1821.[94,95] He bought property from the State of Tennessee on February 1, 1825 in McMinn Co., Tennessee. The lands of McMinn County fell to the state as a result of a treaty with the Cherokee Indians. The state made the land available to buyers, requiring a down payment, with terms spread over a number of years. He acquired 160 acres as an *occupant enterer*. The entry taker, Nat. Smith, noted that he received of George Moreland $160.00 in Tennessee bank notes, presumably as a down payment. He held this tract for eight years. On August 13, 1833, he assigned his interest in the property to Joseph Smith [for an unspecified amount.].[96] George was listed as the head of a family on the 1830 Census in McMinn Co., Tennessee.[97] George moved in 1833 to St. Clair Co., Illinois.

He moved to Missouri before 1839. He settled in Johnson Township of Crawford County. Johnson Civil Township makes up most of the area of township 39. In 1855, Johnson Township fell into the southeastern most part of the newly created Maries County, where it is situated today. He acquired land in section 4, township 39, ranges 7 west of the meridian. Everett Marshall King, in his book *History of Maries County,* states that George's "only known home in this county was on the Bourbese, later owned (and mostly entered) by his son Andy, and now owned and lived on by Emmett Duncan. An Indian trail crossed the creek on this land, and later on one of the many forks of the Potosi road also crossed there. Its easy access probably led to its having been settled early."

Some of George and Hannah's children also removed to the Moreland Settlement in Missouri. Sons, Elias, Thomas, and William came with their families. Andrew, Anna and Nancy, all still single, also came. Daughter, Sarah, who married Silas McCann November 2, 1834 in St. Clair County, Illinois, does not appear to have joined her family in Missouri.

George and Hannah's third son John Moreland died about 1836 or 1837, soon after coming to Missouri. There is some family tradition that holds that Indians killed John and his father-in-law, Mr. Bennett, in the Cherokee Nation. John may have preceded his brothers and sisters in their move to Missouri. After John's death his widow Sarah (Bennett) Moreland married James Collins March 19, 1838 in Crawford Co., Missouri.

Over the next few years many of the Moreland's McMinn County, Tennessee neighbors and relatives migrated to Johnson Township. Among them were members of the Southard, James, John, and Robison families. He sold property to Andrew Moreland on September 11, 1839 in Crawford Co., Missouri. George had originally patented this property from the US Government via a Cash Entry Sale. The Certificate of Sale, though, is dated April 24, 1843; four years after George sold the property to Andrew. This parcel was for 40 and 43/100ths acres.[98,99] George was listed as the head of a family on the 1840 Census in Crawford Co., Missouri.[100] He sold property on March 11, 1846 in Crawford Co., Missouri, to his son, Andrew.[101] He sold property on October 3, 1846 in Crawford Co., Missouri, to his son-in-law, James Bailey.[102] He was listed as a member of Andrew Moreland's household in the 1850 Census in Maries Co., Missouri.[103] He sold property on August 30, 1853 in Crawford Co., Missouri, to his son, Andrew, at about age 78. This is the last known record of George's life. He apparently died shortly afterward.[104] Hannah (?). Hannah died at an unknown age. The nine known children of George^4 Moreland and Hannah (?) were as follows:

- i. Elias^5 Moreland, born circa 1797 in Wilkes Co., Georgia; married Miriam Sewell.
- ii. Thomas Moreland, born circa 1801 in Wilkes Co., Georgia; married Peggy James; married Elizabeth Spencer.
- iii. John Moreland, born circa 1809; married Sarah Bennett.
- iv. William Moreland, born circa 1811 in York District, South Carolina; married Mary "Polly" Bennett.
- 60. v. Andrew Moreland, born circa 1818 in Tennessee; married Eleanor Noblett; married Mary Geisler; married Sarah J. Briggs.
- vi. Nancy Moreland, born January 19, 1820 in Jefferson Co., Tennessee; married James Bailey 6 Mar 1842 in Crawford Co., MO.; married (2) Joseph Husband Abt. 1861. (Source of Marriage dates: Bontekoe - Holwerda "Family Ties" by Cathy Bontekoe at Family Tree Maker site)

The "Widow Moreland," in all probability was George's mother, Lydia Moreland, widow of Jacob Moreland, and it is likely that the land itself was Jacob's old farm.

He moved from York District, South Carolina to Jefferson Co., Tennessee about 1813 or 1814. George Moreland was a buyer at an Estate Sale January 11, 1815 in Jefferson Co., Tennessee. He later sold this tract on February 22, 1825.

He bought property from the State of Tennessee February 1, 1825 in McMinn Co., Tennessee. The land of McMinn County fell to the state as a result of a treaty with the Cherokee Indians. The Certificate of Sale, though, is dated April 24, 1843, four years after George sold the property to Andrew. This is the first of several parcels that George Moreland sold to his son Andrew. King suggested that Andrew "mostly entered" his father's property after George's death, but there are four deeds in Crawford County verifying that either George and Hannah, together, or George, alone, sold property to Andrew. This first parcel was for 40 and 43/100ths acres.

George was listed as the head of a family on the 1840 Census in Crawford Co., Missouri.(73) He sold property March 11, 1846 in Crawford Co., Missouri to his son, Andrew.(74) He sold property October 3, 1846 in Crawford Co., Missouri to his son-in-law, James Bailey.(75) He was listed as a member of Andrew Moreland's household in the 1850 Census in Maries Co., Missouri.(76) He sold property August 30, 1853 in Crawford Co., Missouri, to his son, Andrew, at about age 78.(77) This is the last known record of George's life. He apparently died shortly afterward.

George Moreland and Hannah Unknown had the following children:

down payment. He held this tract for eight years. On August 13, 1833, he assigned his interest in the property to Joseph Smith [for an unspecified amount.]

George was listed as the head of a family in the 1830 Census in McMinn Co., Tennessee. George moved in late 1830 to St. Clair Co., Illinois. He moved to Missouri before 1839. He settled in Johnson Township of Crawford County. Johnson Civil Township makes up most of the area of township 38. In 1855, Johnson Township fell into the southeastern most part of the newly created Maries County, where it is situated today. He acquired land in section 4, township 38, range 7 west of the meridian. Everett Marshall King, in his book *History of Maries County*, states that George's "only known home in this county was on the Bourbeuse, later owned (and possibly entered) by his son Andy, and now owned and lived on by Leonard Duncan. An Indian trail crossed the creek at this point, and later on one of the many lines of the Pioneers [illegible] also crossed there. Its easy access probably led to its having been settled early."

Some of George and Hannah's children also removed to the Moreland Settlement in Missouri. Sons, Elias, Thomas, and William came with their families. Andrew, Anne and Nancy, all still single, also came. Daughter, Sarah, who married Silas McCann November 2, 1829 in St. Clair County, Illinois, does not appear to have joined her family in Missouri. Her record is yet lost to us today.

George and Hannah's third son, John Moreland died about 1836 or 1837, soon after coming to Missouri. There is some family tradition that [illegible] Mt. Bennett, in the Cherokee Nation, but proof is lacking. John may have preceded his brothers and sisters in their move to Missouri. After John's death his widow Sarah (Bennett) Moreland married James Collins March 19, 1838 in Crawford Co., Missouri.

Over the next few years many of the Moreland's McMinn County, Tennessee neighbors and relatives migrated to Johnson Township. Among them were members of the [illegible], Jones, Ivey, and Coatson families.

He sold property to Andrew Moreland November 12, 1839 in Crawford Co., Missouri. George had originally obtained this property from the US Government via a "Cash Entry Sale". The Certificate of Sale, though, is dated April 24, 1843, four years after George sold the property to Andrew. This is the first of several parcels that George Moreland sold to his son Andrew. King suggested that Andrew "merely entered" his father's property after George's death, but there are four deeds in Crawford County verifying that either George and Hannah, together, or George alone, sold property to Andrew. This first parcel was [illegible] acres.

George was listed as the head of a family on the 1840 Census in Crawford Co., Missouri. He sold property March 11, 1846 in Crawford Co., Missouri to his son, Andrew. He sold property October 2, 1846 in Crawford Co., Missouri to his son-in-law, James Bailey. He was listed as a member of Andrew Moreland's household in the 1850 Census in Maries Co., Missouri. He sold property August 30, 1852 in Crawford Co., Missouri, to his son Andrew, at about age 79. This is the last known record of George's life. He apparently died shortly afterward.

George Moreland and Hannah [illegible] had the following children:

●51 i. Sarah^{5} Moreland was born before November 2, 1834, the first event for which there is a recorded date. She married Silas Bankson McCann November 2, 1834 in St. Clair Co., Illinois. As Silas Bankson McCann of Crawford County, Missouri he patented land in Maries Co., Missouri from the US Government January 1, 1846.(78) The land was described as lot number 2 of the North West quarter of Section 18, Township 39-N, Range 7-W of the 5th Principal Meridian, (present day Maries County) being 80.02 acres.

Sarah was probably a free white female, age 20 and under 30, in Silas Bankson McCann's household, on the 1840 Census in St. Clair Co., Illinois.(79) Beside herself, the household included Silas, age 30-40, and 1 male under 5, and 2 females 5 to 10 years.

●+ 52 ii. Unknown Moreland was born before February 15, 1823, the first event for which there is a recorded date.

+ 53 iii. Elias Moreland was born about 1797.

●+ 54 iv. Thomas Moreland was born about 1801.

●+ 55 v. John Moreland was born about 1809.

●+ 56 vi. William Moreland was born about 1811.

●+ 57 vii. Anna Moreland was born about 1817.

●+ 58 viii. Andrew Moreland was born about 1818.

●+ 59 ix. Nancy Moreland was born January 19, 1820.

William (1802) son of Pleasont # 158.0

William Sewell (b. 1802) from Tenn. moved to Mo. in 1835 in Phelps County. He had a son named George who had a son named Pleasant. I know George was 4th of five children but I don't know the names of the other four. William was married to Sarah Laoy and they moved from Roane County, Tennessee. George had several children, one being George Albert who is my grandfather and he married Mary Jane Smith. My father's name is Lealand Sewell.

✓MY DAD ROLL SAMUEL SEWELL, REDBIRD, MO. 1890-1966

ROLL SAMUEL SEWELL (MY FATHER) WAS BORN IN OR NEAR REDBIRD, MO ON AUGUST 27,1890. MOST PEOPLE CALLED HIM ROLL (I REMEMBER HIM SAYING "PRONOUNCE IT JUST LIKE YOU ROLL DOWN A HILL". SOME PEOPLE THAT HAD KNOWN HIM FOR YEARS PRONOUNCED IT "RAWL" AS YOU WOULD THE SHORT FOR ROLLAND & I DON'T REMEMBER ANYONE EVER BEING CORRECTED FOR THIS. BACK THEN I JUST THOUGHT THOSE PEOPLE WERE'NT AS SMART AS I WAS.

NOW (BY THE GRACE OF GOD) I REALIZE THAT MANY OF THOSE PEOPLE HAD STARTED OUT THE AROUND REDBIRD BEFORE AUTOMOBILES & AIRPLANES & THE WRECK OF THE OLD 97. MANY HAD OFF TO WORLD WAR 1 AND BEEN LUCKY ENOUGH TO COME BACK HOME ALIVE. MOST OF THEM CA INTACT, AT LEAST PHYSICALLY. THEY RARELY MENTIONED ANYTHING AT ALL ABOUT THEIR EX "OVER THERE". ONLY HOW BEAUTIFUL PARIS AND IT'S PEOPLE WERE, EVEN AFTER THE WAR. DID THEY REALLY BELIEVE THAT HISTORY BOOKS & TEACHERS WOULD AND/OR COULD GIVE US UNDERSTANDING OF WHAT THEY HAD DONE? AND THE EVIL MANIACS THEY HAD TURNED BACK?

THEN MOST OF THEM HAD IT PRETTY GOOD FROM 1919 TO 1929. AND THEN CAME THE WALL ST CRASH. I'M PRETTY CERTAIN THAT NOT A ONE OF THEM JUMPED OUT OF A WINDOW OR PUT A HIS HEAD.

THEIR ANCESTORS HAD CAME FROM VIRGINIA AFTER SERVING IN THE REVOLUTIONARY WAR TOG MIGRATED DOWN THRU TENNESSEE (SOME AROUND NASHVILLE WHEN IT WAS STILL NASHBOROUGH THEN UP & OVER TO MISSOURI BEFORE THERE WERE TRAINS IN THIS COUNTRY.

AFTER 60 YEARS OR SO THEY LOADED UP THEIR WAGONS & PUSHED ON WESTWARD INTO KANSAS GRANDPA (AS I REMEMBER) HAD BOUGHT A BRAND NEW SHINEY STEAM ENGINE, PROBABLY FROM IRON WORKS IN ST JAMES, & A THRESHING MACHINE. HE FIGURED THERE WAS A GOOD LIVING MADE "OUT THERE WHERE THE LAND IS FLAT". THIS WAS 1900, BEGINNING A NEW CENTURY, WAS 10.

HE [MY DAD] MADE IT THRU THE 8TH GRADE, FEELING MORE FORTUNATE THAN MANY OTHERS.

HE WAS APPROX 27 WHEN HE (AND I THINK ALL OF HIS 3 BROTHERS) WENT OFF TO WORLD WA HE HAD MARRIED A YOUNG LADY NAMED "MINNIE" DUPONT IN [AS I RECALL] 1914. AFTER TH

HAD BEEN MARRIED APPROXIMATELY 8 OR 9 YEARS SHE DIED IN 1923.[CHECK] I'VE ALWAYS THAT SHE HAD DIED OF ONE OF THE MANY EPIDEMICS THAT USED TO SWEEP THROUGH THE COU BUT I NOW REALIZE THAT SHE MAY HAVE DIED IN CHILDBIRTH. HE RARELY TALKED ABOUT IT HE NEVER REALLY GOT OVER GOD TAKING HER.

IN 1935 MY MOTHER WAS LIVING IN PRATT. SHE WAS THE MOTHER OF 5 CHILDREN, HAVING L BABY BOY AT (AS I RECALL) ONLY 2 WEEKS OLD. HER HUSBAND, MR HERBERT MCCAWLEY, HAD THEIR OLDEST SON, FRANK, TO CALIFORNIA WHERE HE HAD FRIENDS THAT WERE TO AFFORD H OPPORTUNITY TO MAKE A BETTER LIFE FOR HE & HIS FAMILY. HE NEVER RETURNED & SHE RE NO WORD FROM ANYONE OF HIS (OR FRANK'S) WHEREABOUTS OR STATUS. SHE THOUGHT THAT H LEFT HER FOR ALL TIME. SHE PASSED AWAY IN 1978, 43 YEARS LATER, STILL BELIEVING T

SOMETIME IN THE EARLY 90'S I LEARNED FROM MY BROTHER HERBERT JAY MCCAWLEY THAT HE FOUND FRANK OUT IN L.A. AROUND 1963. FRANK & HIS DAD WERE ENROUTE BACK TO PRATT W WERE INVOLVED IN A CAR WRECK. 12 YEAR OLD FRANK SURVIVED. MR MCCAWLEY DID NOT. FO ANY NUMBER OF POSSIBLE REASONS FRANK WAS SENT TO LIVE WITH HIS DAD'S FRIENDS IN C FORNIA.

AS THE STORY WAS TOLD TO ME, MY DAD (THAT IS/WAS MY DAD TO BE) FELL HELPLESSLY IN WITH "THE WIDOW MCCAWLEY" AND HER 4 REMAINING CHILDREN. SO MY DAD-TO-BE AND MY MO WERE MARRIED IN 35 OR 36 AND I WAS THEIR "LITTLE GIFT FROM HEAVEN" ON DECEMBER 26 YOU WOULD HAVE TO HAVE KNOW MY DAD, AND HIS DAD, AND MY UNCLES & AUNT, IN ORDER T UNDERSTAND WHY REDBIRD, MO IS SO SPECIAL TO ME.

I am a descendent of Miraim Sewell and Elias Moreland through his daughter Nancy and Samuel T. Butler. There is a family history in the Morman computer system that lists Miriam's parents as Pleasent Sewell and Catherine; and Pleasant's father as W. B. Sewell. I to have seen reference to Samuel b. 1691. He could not be Miriam's grandfather but could be her great grandfather and therefore father of W. B. Sewell. Sorry have no documentation.

There is a listing in LDS family histories showing Miriam's father and gf to be Pleasant Sewell and William B. Sewell respectively. Pleasant died in Jefferson Co. TN about 1816. He had daughters (besides Miriam) Susannah and and Anne who respectively married Rev. John Copeland Jan 14, 1816 in Jefferson Co. TN, and Anne in Feb 1831 in TN. Miriam, Copeland, Anne and brother Martin came to Maries Co, MO abt 1835. I have no information on Williamb. Sewell. Email me if you find any.

Now it seem that I should apologize for not getting back to you. Life does keep one busy. The following info is what I do have on the children of George and Eda : (not real sure on the dates, but Phelps Co. is place of birth)

Bertha Ellen..............................1-19-1904..Safe, Mo Phelps, County

Lola May and Ola Ray............twins deceased at birth about 4-8-1905 in Phelps County

George Franklin.....................10-19-1906...Royal, Mo Phelps, County

Amelia Elizabeth ....also known as Parmelia or Pamelia.....only known to us as Amelia..........born 10-29-1909

Some how Travis James plays a part in all this...not sure how he is related....may be a brother to Eda. Supposedly lives in Rolla, Mo and has family tree.

Thanks for any info you may have on helping me in this endeavor.

Hi Fred,
The one you are missing is Joseph L. Caldwell b. June 1864. I have a reference for him in the 1880 census for Oak Hill, Crawford Co., MO. In 1900 a widowed Joseph is living in Oak Hill with his widowed father along with his two children Benjamin (11) and George (10). Baxter's wife, Elizabeth, who is also a widow, is living next door with a whole slew of kids.

Two years ago I made a trip to Cuba MO. to gather information and tried to find the grave site of John and Eliza, but was unsuccessful. If you ever find any info on this please let me know. Thanks

Bill

Notes for MARTHA JANE ALLEN:
From writings by a daughter (paper is not signed) about her Mother, (Martha) Jane Allen Copeland: "Mama's people, like many early Ozark settlers, were of strong Irish ancestry. Our maternal great-grandmother was named Conner, and she was born in Ireland. This Irish ancestry probably accounts for the large noses, fierce independence, and the emotional temperament of some of her offspring ....Mama had many Irish traits: a prominent nose, an abundance of dark hair, fair skin and wide-open eyes, blue as cornflowers. She was impulsive, quick-tempered, quick to speak her mind, quick to forgive."

I have found a post card in my mothers things. Took a while to figure it out,..it is from Martha Jane [Allen] Copeland to her father, and reads:

ALTA LOIS [Copeland] SWAFFORD
BORN:AUGUST 19, 1905, ST. JAMES, MO
DIED:NOVEMBER 11, 1999, POPLAR BLUFF, MO

OBIT of 11-25-99:

Alta [[Lois (Copeland)--KLP]] Swafford was born August 19, 1905 in St. James, MO. She was one of eleven children of Willie and MARTHA JANE ALLEN COPELAND [[One of Jos. & Mary (Gier) Allen's children--KLP]]. She moved with her family to St. Louis in the early 1920's. She met/married Herman Swafford, Sr. in 1925, and they were the parents of Herman Swafford, Jr. and Stokley Swafford. They moved to the Wayne CO area in 1933.

She was a member of the Lowndes Methodist Church and was a teacher, youth leader, choir member and a lay speaker. She was active in extension work and for many years was a 4H club leader.

She and her husband operated a general store in Silva from 1951 to 1963, when her husband's death forced them to move back to their farm at Lowndes, MO., where he died on March 22, 1965. She continued to live in her home at Lowndes until she entered the Greenville Nursing Home the last time in 1997. Her family and neighbors can attest to her determination and grit as she continued in her church and community work. She learned to drive after her husband's death.

She served as Democratic Committee Woman, and enjoyed writing as a hobby. She was somewhat a historian, as some of her writings show. She was the author of a book called "the good Years," enjoyed not only by her family, but a wide circle of friends and acquaintances. She was a wonderful example of a life well-lived and contributed much to her church, her community, and her family. Her grandchildren and great-grandchildren enjoyed her plays, pranks, and poems. She loved music and sang in a quartet at one time.

Alta passed away on November 11, 1999 at Lucy Lee Hospital in Poplar Bluff, MO. She was 94 years old.

She leaves two sons, Stokley, of St. Louis, and Herman Jr. of Lowndes; four grandchildren, Stanley Swafford of High Ridge, Pam Swafford, St Louis; Martha Swafford Hauck, St. Louis; and Steven Swafford, Kirkwood. She had five great-grandchildren: Jacob Hauck, Caleb Hauck, Joi Swafford, and Emily and Jack Swafford.

She has five living sisters, Naomi Mullins, Edna Stephens, Mattie Griffin, Edith Luther [[died 2 weeks later.klp]], LaVera Richmond, and one brother Emory Copeland, 12 nephews and 12 nieces. She is preceded in death by two sisters, Elsie Swafford, Angie Gail, and two brothers, Sidney and Oscar Copeland.

The funeral was Monday, November 15, 1999 at 11 a.m. at Ruegg

Funeral Home, Greenville. Rev. Tom Zych officiated. Music was by Linda and Richard McAllister.

Pallbearers were Stan Swafford, Steven Swafford, Darwin Stephens, Caleb Hauck, Forrest Mullins, Donald Griffin, Larry Griffin. Interment was at Crossroads Cemetery with arrangements by Ruegg Funeral Homes, Inc. of Greenville, MO.

Glenda also enclosed the Funeral Card of Alta's sister who passed away 2 weeks later:

Abt. 1936. He was born Abt. 1914 in Wayne Co., MO., and died in Patterson, MO.

Notes for NAOMI MERRIBELL COPELAND:

Children of NAOMI COPELAND and AUBREY MULLINS are:

- i. EUGENE EARL[11] MULLINS, b. Apr 09, 1936, MO; d. Sep 1939.
- ii. FORREST DEAN MULLINS.
- iii. DAVID LYNN MULLINS.
- iv. LINDA LAVERA MULLINS.
- v. ROGER AUBREY MULLINS.
- vi. JANET NAOMI MULLINS.
- vii. JANICE ANN MULLINS, b. 1954; d. Live in Piedmont, MO; m. BRAD MIDDLETON.

Notes for JANICE ANN MULLINS:
I received another letter from someone in reply to Reunion Flyer. JANICE (Mullins) Middleton of Piedmont, MO. She may be the "Naomi" link you were looking for. Quote" My mother is Naomi M. (Copeland) Mullins. Her mother was Martha Jane---a grandmother long gone by the time I arrived in 1954." They are back in home territory. Her husband just retired from 26 years with Army. They have 2 sons living in Cape Girardeau. Brent was married July 1999. Tyson is still single. Her mother lives in Patterson. She thinks James Stephens has sent us everything on their family. From what James sent me, he was way behind on many things--except maybe for his immediate family. From his note to me just before reunion, he has two homes. Apparently in AZ in winter and back home in IL in summer.

My ancestor Jacob Krider/Crider was in Mecklenburg Co, NC in 1862. He apparently served in the revolution, and in 1892 was living on land that had belonged to Martin Phifer, another Swiss immigrant. Jacobs children were baptised and married in Reformed (and possibly Lutheran) churches. His children included a Daniel, Jacob Jr, and David. Jacob Sr married a woman named Barbara. Jacob's sons both were wheelwrights and blacksmiths. All this circumstantial evidence points to my Jacob ancestor being the Jacob who absconded. What do you think? I will be happy to share my information, and would also love to see your information.

<http://genconnect.rootsweb.com/gc/surnames/c/r/CRIDER/queries/10058> Surname: Crider, Grider, Kreider, Gryder ------------------------ My ancestor Daniel was from North Carolina. His father was Jacob Grider/Crider. We don't know Jacob's ancestry. Is there any evidency the Jacob who absconded might have moved to NC? They were Reformed Church. Bill Crider billcrider@usa.net <mailto:billcrider@usa.net>

Surname: Crider

Accordng to Rebecca Blackwell's book "Descendants of John Micheal Kreider..." (www.heritageboks.com)John Jacob Krider son of Michael Kreider (likely the "John" is incorrect)was born 1740 in Hatfield Township, Philadelphia (later Montgomery)County, PA. The dates are such that it is possible Jacob Krider was the father of Daniel Sr. and grandfather of Daniel Jr. But to my knowledge nobody knows what happened to Jacob-- he was living with his family at age 15 when confirmed in 1755 but had already "absconded" by age 21 when his father died in July 1761.

I am descended from George's (probable) brother, Daniel Crider, Sr. We have quite a bit of history on Daniel and his descendants, but almost nothing on his probable siblings: Jacob Jr., Barbara, David, George, and Polly Mary.

288.5 (father ?→ brother) of Daniel ?

Needs additional verification.

George Crider was probably the son of Jacob Crider, and was born about 1789 in Cabarrus Co. NC. He married Caty Minster in Cabbarrus Co. NC 10 Nov 1813. She apparently died. He married Elizabeth Strube (daughter of John and Nancy Strube) 23 July 1824. On 20 July 1819 George sold 130 acres of land to Thomas Cooper (who apparently married Polly Mary Crider on 26 Oct 1815. This Thomas Cooper was raised in the household of William and Barbara Crider Glover.) The sale was witnessed by Peter Walter who was likely George's nephew.

George and Elizabeth show up in the 1850 census of Cherokee Co. GA with the following children:
Monty, born abt 1827 in NC
James, born abt 1829 in NC
Elizabeth, born abt 1832 in GA
Sophia, born abt 1835 in GA
Elisha, born abt 1838 in GA
Samuel, born abt 1840 in GA
Emily, born abt 1843 in GA
Adeline, born abt 1845 in GA

from Betty Oller.

292.0 ✓ 5/May/2004

The first time I have Leonard Reed on a record is in Washington County MD. "28th day of Augt.1776" under Capt. Charles Coulson's Company in a company of militia. He appears with Joseph, William, and Thomas Logsdon and Edward, John and William Durbin and George Oller(my line), also John Sap.

Leonard Reed appears again in the same county under Capt. Hogmire's company and is listed as a 4th class, along with William and Thomas Logsdon and John and William Durbin. Source:The Maryland Militia in the Revolutionary War by S.Eugene Clements and F. Edward Wright-Family Line Publications.

Leonard Reed will also appear in Captain Edmund Baxter's Company called the "Chester County Militia" as an 8th class, along with George Oller, Edward Logsdon II, John Simon, and John Sap. Sixteen of these men went to Madison County Kentucky before it became a state and they are listed on the tax records in that KY. County by 1788. There was a total of 76 men in the company, under Captain Baxter. Eventually twenty six of these men settled in Kentucky along with their families. Captain Baxter settled in a place called Yogohania County Virginia, from Maryland about 1775. This county was only in existence from 1776 to 1786 and was discontinued. Yogohania County was also known as Ohio County and is part of Washington County PA. today. These men lived in an area called Harmon's Run off of Harmon's Creek, called Weirton West Virginia today. Militia Source: PA.Archives Series 5 Vol V, pages 681,682. Ky. tax records Madison County LDS microfilm.

Leonard Reed will purchase land from John and Elizabeth Alexander while living in the Yogohania area. When he sells the land to go to Kentucky there is no release of dower rights by a wife, So we do not know her name.

Madison County KY. tax records show Leonard Reed in 1789 with 2 white tithables (2 males over 16). In 1790 there are no tax records. In 1791 he has 3 white titables(3 males over 16)and the date is March 9th Kentucky becomes the fifteenth state on June 1st, 1792 and Leonard Reed is listed with 2 males over 21(Leonard and Edward)and one male 16-21, and the date is 09 November. In 1793 I have no tax record for Leonard. April 19th 1794, Leonard and Edward Reid appear next to each other on the tax records. Leonard is listed in the over 21 block and has one male 16-21. In 1795 both Leonard and Edward are listed in Logan County KY. The tax listing:

Leonard Reed	1-male 21+	2 males 16-21	0-horses	4-cattle
William Reed	1-male 21+	1 male 16-21	1-horse	8-cattle
Edward Reed	1-male 21+		1-horse	1-cattle

It is important to note at this time that Leonard Reed was the only Reed in Madison county until 1793, when it seems like 4 older Reeds show up, namely James, John Jr. John Sr. and Alexander. Only John Reed Sr. had

✓

a son 16-21, but all four of these men had lots of cattle and horses, based on the number of animals Leonard had. One Elizabeth Reed married William Howard in Madison County KY. 28 September 1793 and Edward Reed was the bondsman for this marriage. There is no doubt that Elizabeth Reed and Edward Reed are children of Leonard's. We will see further proof of this as we continue. Since we have a later census for Edward and know he was born in Maryland in 1770, I will list Elizabeth's birth year as 1772 and marrying at twenty one years of age.

I have never looked at the microfilm tax records for Logan County KY. but did get my information from a book, so I have only the year of 1795. Barren County KY. came off of Green and Warren counties in 1799 and we find Edward Reed, George Reede and Leonard Reede listed on the tax records of Barren county in 1799, all over 21 years old. Leonard still has a son 16-21 on this tax record. George Reed was probably the son that popped up on the tax record in 1791 in Madison County 16-21, putting him born in 1775. Without a doubt George Reed is a son of Leonard Reed. George Reed was the bondsman for the marriage of Patience Oller to John Painter when they married in Hardin County KY. 22 April 1799. George Reed and Thomas White were also witness's to this marriage and George and Prudence Logsdon Oller gave consent for Patience because she was under age. The Oller and Reed children would have grown up together. George Reed will marry Mary Arnold, a daughter of John and Rebecca(White)Arnold, another family from Maryland. The marriage date is 06 January 1803 in Madison County KY. and William Howard, George's brother-in-law is the bondsman

I do not have the tax records for 1800, but the printed AIS from the LDS files shows Leonard Reed Jr. and Leonard Reed in Barren County. Leonard Reed Jr. would be the son, along with George, in the 1795 tax records of Logan County KY. 16-21, putting him born about 1779. Leonard Jr. would be 16 in that tax record, with a birth year of 1779.

I have no idea where Leonard Reed Sr. is in 1801. His sons George and Leonard Jr. are on the tax records for Barren but Sr. is not, and you can tell because his sons have no land. Edward Reed has not been taxed in the county since 1799 and he does not appear again until 1809. In 1802 Leonard Reed Sr. comes back and his son Henry is listed by him. I have given a birth year for Henry as 1781, because the first year I can find him taxed is 1802. Leonard is not listed as having any more sons in the 16-21 block. But we know for a fact Leonard has a son named John Reed. November 30,1807 there is a record for the bond to marry John Reed to Drusy/Drury Durbin. Leon'd Reed is the bondsman for the marriage. The tax records for 1808 in Barren County Ky. will show John Reed under 21 years of age with "(LR)" by John's name. I have a marriage date

✓

of December 3rd 1807 for John and Drucilla in Barren county KY. By 1810 John is in Hardin County KY. on the census with one female child, the only child John Reed will ever have. Drucilla Durbin was the daughter of John Durbin and Ann(believed to have been a Logsdon female).

There are two other marriages in Barren County KY. that is of importance to the Reed's, namely Leonard Reed marries Nancy Satterfield 13 April 1803 and Leonard Reed marries Julia Wooley(maybe Woosley) 18 August 1803. Some people may not agree, but I think Leonard Reed Jr. the son of Leonard Reed Sr. married Nancy Satterfield. When I have an opportunity, I believe that I can prove it is Nancy.

Leonard Reed Sr. sold his his 200 acres of land on the Green River in Barren County KY. on 27 May 1811 and there was no wife listed relinguishing her dower rights. John"Stumpy"Durbin, brother to Drucilla Durbin Reed(wife of John Reed)sold his land the very next day. George Oller's last tax record was in Barren County KY. in 1811, also. Leonard Durbin(son of Stumpy)tells the story of when his father went to the territory of Illinois. The pioneer trek was into southern Illinois in Union and Alexander counties. Although Stumpy John Durbin returned to Ky. as some of the Oller's did, he later died in the Sangamon county Illinois area in 1831.

There were some families that left the Kentucky area around 1808. These were namely Henry Reed, son of Leonard Reed Sr.,Edward Simon, son of John Simon and his Logsdon wife(believed to be Edward Logsdon's line), William Howard and wife Elizabeth Reed, Alexander Rattles and wife Rebecca Durbin who married in Madison County Ky. 30 January 1800(sister to Drucilla Durbin), James Flatt and wife Margaret West(James was the son of John Flatt and Patience Logsdon, sister to Edward Logsdon II), the Sappington's, West's, Maupin's, Estes, and many other families that married in Maryland, and the Yogohania area or Kentucky.

As we leave Kentucky and head west, I believe I can truly state the children of Leonard Reed Sr. and his unknown wife.

Edward Reed born 1770 in MD. married Margaret Close 09 April 1795 Hardin County Ky. Margaret was the daughter of George and Elizabeth Close.

Elizabeth Reed born about 1772 in MD. married William Howard 28 September 1793 in Madison County Ky. Edward Reed was the bondsman. William Howard is believed to be the son of James and Hannah Howard.

✓

George Reed born about 1775 in MD. married Mary Arnold 06 January 1803 in Madison county Ky. daughter of John and Rebecca Arnold

Leonard Reed Jr. born about 1779 married Nancy Satterfield in Barren County Ky. 13 April 1803. It is unknown if Leonard was born in MD. or Yogohania PA/VA

Henry Reed born about 1781 in Yogohania VA/PA.

John Reed born 10 September 1789 in KY. married Drucilla Durbin 03 December 1807 in Barren county Ky. Drucilla was the daughter of John and Ann/Anna Logsdon(?)Durbin. /

Before we leave KY. let us take a look at the census of Barren County KY. page 32 . 1810:

Edward Reed 1-male 26-45 3-males 16-26 1-male 10-16
1-female 45+ 1-female 26-45 2 females 0/10

Leonard Reed Jr. 1-male 26-45 2-males 0/10
1-female 26-45 1-female 0/10

There is a printed census of Warren County KY. on one Leonard Ree, but when I reviewed the film, it was actually "Leonard Reed" on page 277 of the 1810 census:

2 0 Leonard Reed Warren County KY. 1-male 26-45 3-males 0/10
1-female 16-26 1-female 0/10 Son of George

✓

I should title this "The Missouri Reed's" because it is about the children of Leonard Reed Sr. and his unknown wife.

I would like to make a statement, before I continue on. In an effort to find the father of my line-George Oller Sr. my son and I had completed research on what we called was "The Company". The Company consisted of the Marylanders that served in the MD. militia together, went into Ohio and Yogohania counties VA./PA. lived there for a while, then traveled on to KY. Many of the children went into southern ILL., and MO. later returned to KY. and then went west again. You may note when I refer to "The Company", it is with great affection for these pioneers and their children, because of the research time we spent on them. And when I retire I will be writing my family history of the Oller, Logsdon's, Simon's, Durbin's and other lines that tie to the Oller's. I will be actually giving away some of our secrets.

Most of you know I have found no definite tie for Leonard Reed Sr. to any of the surnames I will refer to as I go forward. But I strongly feel there is one. And I do not know which surname it actually is, but I feel it is the Logsdon line through Edward 1st. I could be entirely wrong, but I do not think so. Something that really suggest strong ties is their faith. At least two if not more of the Reed children of Leonard Sr. kept their Catholic faith.

I will not always give a reference for my information, so please feel free to ask questions and I will supply you with the source. I am not going to do the children of Leonard Reed Sr. in order.

The first record I have of the Reed's in MO. is the petition to the land commissioners in Louisiana Territory in 1810. Henry Reed's last tax record was 1805 in Barren County KY. Contrary to what is on the net, our Henry Reed did not marry Isabell Roberts in Clay County KY. in 1808. It is possible he married in KY. but he is not that Henry Reed. Page 92 listed as Section 14 Subscribers to Memorial(petition) to the land commissioners is listed Henry Reed and below him is William Howard, and other Kentuckians listed with them are the Youngs, Johns, Hildebrands, Locks, and Weir's. Section 26 are the Sappington's, Estes, Sullins, Greenstreets, Edes/ Eades, Heatherlys, and Maupins all names easily recognized from KY. specifically Madison, Hardin, and Barren counties. In fact Section 26 states: (note- Sect.26 are from around Gasconade/Maries area).

The next record is one of Leonard Reed(believed to be Jr.) "Leonard Reed-on the Gasconade,Franklin county:took up a sorrel mare etc. 25 Mar. 1820s" and Edward Simon-Commissioner, town of Gasconade(Edward Simon was s/o John Simon and a Logsdon female, Edward 1st line). In 1819 Franklin county, Missouri Territory I have a county tax list for Saint John township, and listed is Edward Read, I should title this "The Missouri Reed's"because it is about the children of Leonard Reed Sr. and his unknown wife.

✓

George Read Junr.,Leonard Read and John Read with most of the same names from Section 26. But there is another name-John Burnside.

Missouri was part of the Louisiana Territory in 1805 and became Missouri territory in 1812. It did not become the 24th state until 1821, but some of the documents read Missouri before it became a state.

The Franklin County tax list for 1820 has the following important names for you: John Burnsides,John Read, Hensly Read, David Read, Thomas Veatch, Henry Ware/Weir, Daniel Cryder/Crider, James Flat(Flatt), Edward Howard, Jeffrey Lively(Leonard Sr. sold his land in Barren County KY. to Cannon Liveley), James Miller, George Read, Leonard Read, Alexander Rattles, Thomas Shockley, Samuel Shobe, Edward Simonds(Simon), William West, Nathan Robinet, Lewis Young, John Davis Sr. and Junior. I do not know if the Hensley Read is actually Henry.

Henry Reed, s/o Leonard Reed Sr. purchased land 09-24-1821 through the St. Louis land office, certificate # 76 and it is described as 80 acres, the East ½ of the North East ¼ of Section 12, Township 43 North Range 2 East. The land record states "Henry Reed of Franklin county". Sometimes later Henry Reed purchased West ½ of the South East ¼ Section 25 Township 41 North Range 5 West, 80 acres. This was also through the St. Louis land office and it is certificate # 925 and this states "Henry Reed of Gasconade County".

In the Franklin county MO. court records in 1826 is an undated record that state "I Joseph Robinett do swear that Nathan Robinett deceased died without a will as far as I know and believe and I will well and truly administer all and singular the goods and chattels, lands and tenements rights and credits-etc.etc." signed Joseph Robnett " On the (blank)day of 1826. William G. Owens,clerk". On the 5th of August 1826 is another record in the Franklin county courts "Joseph Robinett states on oath that the following are all the heirs of Nathan Robinett deceased and their places of Residence to wit: Polly Young supposed to be living in Arkansas Sally Young supposed to live also in Arkansas Nancy Keatly in St. Louis County Isabel Reed in Gasconade County Betsy Darters children Joseph Robinett Stephen Robinett Louisiana Robinett Lovisa Robinett Lavinia these last live in Franklin County. Sworn to before me 5th Augst 1826 Joseph Robnett" . Court records for Franklin County MO. will later show Henry Reed and Ibby his wife will be guardians of the two younger girls Louisa and Lavisa Robinett. There are other court records about splitting the estate all the way up to 1834, in 10 parts. Nathan Robinett had 10 children.

For genealogical purposes, Nathan Robinett married Sarah Burnside 01 November 1790 at Linville Creek, Greenbriar, Rockingham County Virginia. Nathan died

✓

in Franklin County MO. before August 5th 1826 and left his widow and 10 children:

Isabel"Ibby" Robinett married Henry Reed
Mary Ann"Polly" Robinett married Lewis Young
Sarah"Sally"Robinett married John M. Young
Elizabeth"Betsy"Robinett married Nicholas Daughters
Nancy Robinett married William Keatley
Joseph Robinett
Stephen Robinett
Louisiana Robinett married Ambrose Boles/Bowles
Louisa Robinett married Samuel Johns 27 March 1830
Lavisa Robinett married Julius Emmons 01 November 1835 /

The census for 1830 of Gasconade County MO. shows Henry Reed as 40/50. I believe Henry was born 1781 because of the tax record for him in Barren County KY. After KY. became a state, males were not taxed unless they were married or 21 years of age. The census for Henry states there is 9 in the household, but only 8 people is listed. There is a 50/60 year old female living in his household, born 1770-80. I believe this may be his MIL Sarah Burnside Robinett, probably born in the early 1770's and married by November 1790. Isabel Robinett Reed is not listed in an age block for a wife. There are three young females in the HH, 2-10/15 and 1-5/10. I believe one of these females is Louisa Robinett who married Samuel Johns May 27th 1830. Samuel Johns is on the Franklin County 1830 census dated November 27 1830 and his wife is 15/20, and I could be wrong, Louisa could be living with another family member. So if the Gasconade county census is taken before 27 May 1830, Louisa should be in Henry's HH. If it is taken after that date, all three females may be his.

Nevertheless I have jumped a few years and did not mean to. I have three marriages in Gasconade County MO. before 1830, namely Daniel Crider marries Elizabeth Reed 24 August 1826. Leonard Reed marries Rhoda Veatch 11 January 1827. George Reeves marries Mary Reed 06 August 1829.

On 05 February 1828 Henry Reed is appointed guardian of Rhoda Reed, formerly Rhoda Veatch. Leonard Reed the son of Henry had to marry a very young Rhoda Veatch, because on the 1830 census right next door to Henry Reed is his son Leonard 20/30 and a wife 10/15 or the census taker made an error. The census shows they have one female 0/5 and one male 0/5. The court records for the guardianship is in Gasconade County. The court records of Gasconade County leave no doubt Leonard Reed Jr.(as he is listed on the census in 1830)is a son of Henry Reed and Isabel Robinett. Leonard Reed Jr. is later indicted for A & B

✓

(Assault and Battery)in the Gasconade County courts and Henry Reed, Henry and Honor Cowan and William Ware/Weir are Leonard's securities for his appearance , starting in 1828. He is later acquitted. I have no record of Rhoda's death, but Leonard Reed will marry again to Rebecca Branson 29 March 1832 in Gasconade County Missouri. Henry Cowan had married Honor Howard a daughter of William Howard and Elizabeth Reed, in Cooper County MO. on 08 July 1819. Henry Reed would be her Uncle and Leonard, Henry's son, would be her first cousin. Leonard Reed Jr. will die before 26 August 1839 in Gasconade County MO. and Rebecca Reed, principal of the estate, with J.B. Harrison bind themselves to the state of Missouri to administer the estate properly. Henry Reed, the father is also a witness on the documents.

There is no doubt Elizabeth Reed is the daughter of Henry and Isabel Reed. Born 23 August 1812, they marry the day after she becomes 14 years of age. And their first child is Isabel Crider. The birth of Elizabeth Reed is from Bill Crider of Texas. Daniel Crider will marry again in Osage County MO. a widow, Sarah Watson Thorp on 29 August 1850. Isabel the oldest daughter of Daniel and Elizabeth will marry John Durbin, a son of Philip Durbin and Lucy Logsdon, descendants of the Maryland Christopher Durbin and Edward Logsdon II. Although all of John and Isabel Crider Durbin's children were born in Missouri, according to the Mormon records, they will move to Texas and live out their life there.

Thomas Veatch will marry Sarah Reed in Gasconade County MO. 11 September 1832. Sarah, a daughter of Henry and Isabel Reed was born in MO. in 1815, based on the census records. They will move to Red River County, Texas and live out their lives in that county. Thomas Veatch and Rhoda Veatch, who married Leonard Reed Jr. are believed to be brother and sister. The Veatch family are in Texas by the 1850 census in Red River County.

Nathan R. Reed married Sealy Reed in Gasconade County MO. 10 March 1839. I know all the readers can imagine his middle name. In the 1830 census for Henry Reed he has 1 son 15/20, 1 son 10/15 and 1 son 5/10. The Denton County Texas census for 1850, family # 1 shows one N.R. Reed 30 born in MO., wife C. 31 born in MO., A. 5 y/o born in MO.(blind)Wm O'neal(?) 3 y/o born in TX. and H. either 1 month or 1 yr. born in TX. I believe the wife's name is actually Cecilia/Celia or something like that.

Family # 12 on that same Denton County Texas census is Jas. B. Reed 24 born in MO. and his wife Fanny 20 born in MO.. James Burnside Reed had married Francis"Fanny"Yoakum/Yocum on 11 February 1849 in Denton County TX. Denton county came off of Fannin County TX. in 1846. You can see by the birth of Nathan's second child, they had been in Tx. about 3 years.

In the Pioneer Times Mid-Missouri Genealogical Society, City of Jefferson Missouri, volume 1 (#1,#2,#3)-1977 there is a story about Ferdinand Helias a young Belgium born Jesuit priest. On page 174 it states "Father Helias census of 1838". The information contained within is written in a combination of Latin, Old French, Belgium and a little German. Copied verbatim it has "Residentio St. Joseph Societatis Jesu in Nova Westphalia Comitatus Gasconade Status Confaederato Borealis AB Anno Dri 1838". Page 180 at the bottom it has " in adibus Samuel Farral Louis Creek- John Reed ,Henry Reed Burbus (Burbus is off to the side of Henry's name)Edward Reed". At the top of the page "In pago vulgo Bailey's Creek" it lists 7 Logsdon names, old Edward Simon, his wife and one son, a space two more of his daughters and their families, Patientio Howard and sons Ignatius, Wilhelmus,Elizabeth and Maria(Patience Simon had married one of the Howard boys of William Howard and Elizabeth Reed). Page 179, right before the list above is "1 Aprilis 1839 in pago vulgo French Village. It is a census of the mid Missouri Catholic settlements taken by Father Helias M. Ferdinand, a Jesuit missionary at the time. By the latter part of 1839 all the Logsdon's and Simon's were filing for land grants in the Red River TX. area. The word Burbus is referring to where Henry Reed lived, on the Burboise River.

William Howard born about 1770, married Elizabeth Reed in Madison County Kentucky 28 September 1793. Edward Reed was the bondsman for this marriage. The first record I have of William and his family is the 1810 land petition. I know William and Elizabeth were in Cooper County Missouri or in that area for quite a while because two of their children married there. Honor Howard married Henry Cowan 08 July 1819 and Edward Howard married Mary Robinson 10 June 1824. Henry Howard married Annis Nance 12 February 1828 in Franklin County MO.. William Howard is on some deeds in Gasconade county Mo. with a wife Anna. One Howard male married Patience Simon, a daughter of Edward Simon and Sarah Wedt/Wyatt. Patience Simon Howard went to the Red River area with her parents and she is found on the TX. census in 1850. I did not follow this family. More work is needed by me on this line

As you can see I have not addressed Mary Reed Reeves. Bear with me, as this is all I can give you this weekend.

Leonard Reed Jr. s/o of Henry was born about 1809. He could possibly be born in 1810 because he was not old enough to be a guardian of his own wife when he married. Henry had to be the guardian, not only because Rhoda was young, but because Leonard was real young too. I do not believe Henry had another wife,
prior to Isabel.

I did not give you Rosannah before because I was not sure. But, looking at the census in 1830 at Henry's children, Rosannah will roll to the 1840 census and there were no other young children in the correct age block. James B. Reed had a daughter Rosannah, and I believed he named her after his sister.

As for Mary, I accepted some one else's work and agreed with it. Here are my reasons. All of Henry's female children married young, very young. Mary was 24 days away from being 14 years of age. Based on the net she was born 28 August 1815. She married 8 August 1829. She is 36 on the 1850 census of Crawford County MO. Her sister Elizabeth married one day after she was 14 . Rosannah marries young based on the census. Sarah was the only one that I could find that marries when she is 16-18 years old and she married a much older man too. Mary names sons John Nathaniel, and Charles H. and James Reeves. Her oldest son was Josiah, but that was the name of George Reeves father. I believe Isabelle Robinett was young when she married Henry, so she probably did not mind. One other reason which is a strong one is they all married in Gasconade county, not Franklin, where Edward lived.
Henry lived on the Bourboese(spelling ?)River in the southern part of Gasconade.
Edward lived in the North eastern part of Franklin, quite a ways based on pioneer days.

I encourage people to question my work, especially when I do not have abolute proof.

Please do so. This is just my rendition. I could be wrong, but so far I do not think I am. Everyone seems to want to descend from Edward, have you noticed that? You
would be surprised at the male lines claimed thru Edward.

I would like to add some names as children of Henry Reed Sr. and Isabelle Robinette. s/o Leonard Reed Sr.

Elizabeth Reed M. Daniel Crider Jr. 24 Aug 1826
Leonard Reed M. Rhoda Veach 11 Jan 1827 M. 2nd Rebecca Branson 03/29/1832
Mary Reed M. George Reeves 06 Aug. 1829
Sarah Reed M. Thomas Veatch 11 Sept, 1832
Rosannah Reed M. Henry McGee/Magee 10 Feb 1833
Nathan R. Reed M. Cecilia(Sealy)Reed 10 March 1839

All the above marriages took place in Gasconade county MO.

James B. Reed M. Francis"Fanny"Yoakum 11 Feb 1849 in Denton County TX.

I believe there is another son of Henry Reed's that I have been unable to confirm. I also believe there is another daughter. The census for Gascoande county was taken the 16th of November 1830. so Louisa Robinette that married 27 May 1830 is not on this census. This female would be born between 1815-20, based on the 1830 census and the ages of Sarah Reed Veatch and Rosannah Reed McGee/Magee.

Henry had three sons on the 1830 census, of which two of those were James and Nathan. Either that missing son died or married in another county.

This means Henry and Isabell had 9 children, three married before 1830 and the other six on the 1830 census.

Now you know why James Burnside Reed had a daughter named Rosannah.

Do you have the 1850 census of Gasconade County MO.?

I took two days vacation Thursday and Friday and went to a library in Carlsbad,Ca about 1 1/2 hours from home. I did make a little headway. Not what I wanted, but it is a beginning.

I found the will of Henry Reed born 1802 in ? that married Rachel Robinson/Robertson. It is only an abstract but good enough for us. The children named in the will(so correct your records):

1.Rhoda Reed oldest daughter
2.Hiram Reed born Mo 1826 married Lucy Durbin d/o of Phillip Durbin and Lucy Lucy Logsdon in Gasconade County Mo. 1st child named Isabelle 2nd child John H. Reed
3.Andrew Jackson Reed born between 1827-32 named as second son in the will.
4. David Reed born 1833 MO.
5.Daniel Reed born 1836 MO.
6.Malinda Reed born 1839 in MO.
7. Margaret "Peggy"Reed born 1841 in MO.
8.Mary Jane Reed born 1843 in MO.
9.Moses reed born 1847 in MO.

This is the abstract of the will"Reed, Henry-will dated 04 May 1848. wife Rachel Reed. Three sons, David, Daniel and Moses Reed. Three youngest daughters Milinda,Margaret, and Mary Jane Reed to share equal with the boys. also names eldest daughter Rhoda and second son Andrew Jackson Reed. Exrs., wife Rachel and sons Hiram & A.J. Reed. Wit.:Robert Lucas & Edward Reed. Recorded 28 June 1848 (WA:80)

The 1850 census of Gasconade County MO. shows these families all in a row from # 102 thru 107.

Now I will tie together what I have so far.

✓ Lucy Durbin d/o Philip Durbin and Lucy Logsdon married Hiram Reed s/o Henry Reed born 1802 in ?. 09 August 1847 in Gasconade County MO. by a Catholic Priest

? Sylvester Reed married Elizabeth Ware/Weir on 19 July 1837 in Franklin County, MO.
He died and I believe she is the Elizabeth Reed that married Elisha Sterling 24 Dec 1849 in Gasconade County MO. See family # 102.

✓ Edward Reed family # 103 would be the son of Henry Reed Sr. Edward Reed married Nancy Bittick 30 May 1833 in Gasconade County MO. This is the Edward Reed that witnessed the will of Henry Reed born 1802 died 1848.

I looked up Robert Lucas, thinking his wife's name would be Rhoda, but that is not true. Robert Lucas is family # 99, a farmer born in TN 45 years of age. His wife's name appears to be Mary or Missy 35 y/o born in TN. BUT all their children are born in MO. starting with Edward 14, James C. 12, Phoebe 8, Elizabeth 5, and David 2.

Now, I think the Henry Reed 65 y/o born in TN is NOT really born in TN. Now, I could be wrong, and I will likely never find him on a census again due to his age. I believe this Henry Reed is born 1781 and is 69 y/o and s/o Leonard Reed Sr. This is purely speculation. The will abstracts were from 1821-60, so if he died before 1860 he did not have a will in Gasconade County MO. But I will remind you one Edward Reed born 1814 in MO. DID witness the will of Henry Reed Jr. and he is family # 103.

The census I gave you is dated 05 Nov. 1850 Gasconade County MO.

✓ Now this is one last thing. I have found a tax record for Franklin County MO. dated 1819 and it is a county tax record. In Saint John Twp. there is living Edward Read, George Read Jr., Leonard Read and John Read. I believe these to be sons of Edward Reed Sr. all born in Ky and are 10/16 on the 1810 census of Barren County KY. But he also has a son born between 1800-10 and two daughters born 1800-1810. I have a tax record dated 1823,24, and 25. The names are Edward, George, Henry, John Sr. John Jr. and Leonard. Note there is NO Edward Jr. Now along comes an Edward Reed from Callaway County MO. and on May 10-1824 he purchases land from the government thru the public land sales. But he purchases this land in Boles twp which is the twp east of St. John in Twp 44 Range 2E Section 27. He does not purchase it in St. John twp and he is not from the area.

Edward, Sr. has been in MO quite a while, with his family. This is why I had written in my email that I did not "feel right" about the Edward Reed/Rebecca Colvin history you sent to me. I am not saying this Edward does not belong to the same Reed family. But I do not believe this Edward is a son of Edward Sr.

If you have not been confused before, you sure as heck will be before we finish this family. I am getting confused to but I am trying to keep my perspective about all of this.

Subject: Reed

Just to keep you informed of the Reed research, especially for Leonard Reed Sr.'s wife's name. The LDS history center has been closed for two weeks and will reopen
06 August. I am waiting on film from Madison County, KY. and I am hoping that Leonard, like other men in the "Company", bought land in Madison County, and sold it before going on to Barren. Normally, the wife's name is on the deed at the time of sale, if she is alive.

As you know Leonard shows up with 118 acres of third rate land in Madison County KY in 1794, on the tax records. I do not know if he purchased the land, or if just leasing it. There are no records for lease land. So let us all hope he made a purchase and his wife is still alive. But, I will tell you it is unusual for a woman to have children for only 12-15 years(Edward born 1770 and Henry 21 in 1802 ?).

As to clues of what her name would be? Edward had two females born by 1810 in KY. One of these females was named Honor/Honour Reed. Honor Reed born 1800 in KY. married Henry Holder in Gasconade County KY 10 April 1828. There is another marriage of one Honor Holder/Holden marrying a John Tennyson 09 August 1836
in Gasconade County, MO. If this is the same person, she took back her Holder name by the 1850 census, because she is living in Franklin County, KY family # 600
and she is 50 years old born in MO. with Jesse Holder, male 21, looks like Louisa Holder 18, female and Mary Holder 14 female. At least the census taker put dittos under each child's last name to lead a person to believe they are Holder's. I know the census states she was born in MO. but this is the only census I have of her. It would be reasonable because she would be raised in MO. Honor Reed cannot be the daughter of Leonard ReedSr., we do not have a second marriage for him. ?

George Reed s/o Leonard married 1803
Leonard ReedJr., 1803 — ? son of George ?
John Reed married 1807
Henry Reed Sr. married 1808

It is logical, Honor Reed would be the daughter of Edward Reed, s/o Leonard Reed Sr.
Honor/Honour is a Logsdon name and goes as far back as the immigrant William Logsdon who came to the colonies in 1673. William's wife's name was Honor. And
I would believe, based on what I have found on the Logsdon's, Edward Logsdon 1st would have named a daughter after his mother. William Logsdon the immigrant
had daughters named Ann, Patience, Prudence, and Honor.

Of Edward Logsdon's 1st daughters, I have found:

Prudence(my line)
Patience who married John Flatt(and his son James went to Gasconade County, MO. about 1811).
Ann who married John Simon Sr.(had a son Edward Simon who went to Gasconade County MO> about 1811).

The only female missing would be Honor. But all of you must realize this is just speculation. Catholic mates were hard to find in KY. and many ended up marrying their cousins, because of this. I have MANY Logsdon's, Durbin's and Howard's intermarrying Catholic cousins that came out of MD.

Do any of you know why Edward Reed 80 y/o born in MD is living with a David Roberson and Catherine and all three of them were checked "married within the year" by the census taker?

REED-READ

Henry Reed, Jr was born 30 December, 1802 near Lexington, Kentucky and came to Franklin County, Mo around 1810 with a large number of the Reed families from Barren County, Kentucky. In about 1823 he married Rachel Robertson, born July 14, 1806. In 1823 he sold his Franklin County land and moved to Gasconade County in the Cleavesville Bland area amid the Kentucky Reed families who settled there in the 1820's. Here he farmed until his death in 1849. He is buried in the Crider Cemetery located on the Crider farm near Bland. A Catholic Church was built at the Crider Cemetery in the 1840's. It is called St. Michael's at Reed's Settlement, John Reed being instrumental in it's establishment. The Reeds and Criders were the first settlers in the vicinity.

Henry and Rachel Reed, Jr had nine children. Hiram (6-6-Logston) ?spelling check*; Durbin Rhoda (5-9-1827); Andrew Jackson (11-8-1829) married Sarah Jane Brewle October 29, 1954; David (9-24-1833); Daniel Viggie (4-14-1836) married Caroline Priscilla Read March 11, 1855; Melinda (12-9-1838) married Havier C. Durbin on February 12, 1854; Margaret (3-22-1841) married Jacob Hamilton; Mary Jane (11-30-1844) and Moses (4-11-1847).

After the Civil War most of the family moved to the southern counties of Missouri. Rachel (Robertson) Reed with children Hiram, Melinda, Margaret and their families moved to Webster and Laclede Counties in the Conway area. Rachel died in 1881. Hiram died August 21, 1894 and his wife Lucy died in 1910. They are buried at Conway in the Reed Catholic Cemetery, the land for the cemetery being donated by Hiram Reed. The church was built in the fall of 1876.

In 1867 Daniel Viggie Reed, the fifth child of Henry and Rachel Reed, Jr moved to Texas County, Missouri settling near Cabool where he died of typhoid on August 27, 1969 leaving his widow Caroline (Read) Reed with four small boys: Albert Alexander (10-31-1857 to 11-15-1921) married Sarah Ann Pool; Robert Henry (1-14-1860) married Laura India Slankard; William Columbus (6-3-1863 to 2-14-1926) married to Mary Ella Burton; David Orlando (9-8-1868 to 6-20-1927) married Rhoda Cordeha Elhou ?spelling check*.

Caroline Priscilla Read, wife of Daniel Viggie Reed was born in Marion County, Tennessee on September 6, 1835. She was the second of a dozen children born to Robert W. Read (born in 1810 in North Carolina) and Evaline C. Hulvey (born in 1812 in Tennessee). The other children were: George J (1833) died of smallpox in 1855; William Conrad (1837); Elizabeth (1839) ; Columbus (1840) died in the Civil War; Emanuel (1842) died in the Civil War; Henry (12-26-1843) married Mary McMillin, and

spent a good part of his life improving education in Gasconade County. He died in 1883 and is buried at Canaan, Missouri; Mathilda (1845); Mary Ann (1847); Benjamin B. (1849); Thomas L (1852); and Sarah Jane (1854).

This Read family moved to Gasconade County in 1840, from Marion County, Tennessee with the Conrad Hulvey family and settled on land south of Bland on Jake's Prairie. Robert Read, a Baptist elder helped establish the Mount Pleasant Baptist church there in 1844 and performed marriages during the 1850's.

After the Civil War they moved to Texas County settling near Cabool where Robert W Read was one of the charter members of the Pleasant Hill Baptist Church. He died in July, 1869 of diphtheria and is buried in the Pleasant Hill Baptist Cemetery along with his wife Evaline C (Hulvey) Read who died in 1874. His daughter Caroline Priscilla died April 2, 1923 and is buried there beside her husband, Daniel Viggie Reed son of Henry and Rachel (Robertson) Reed Jr.

PS I hope this helps. I received this from another genealogy friend. I believe it was copied from a book found in the Family History Center in Mo. If you need further proof let me know. I will have to email several individuals to find out who sent it to me.

I might have got carried away yesterday when I sent my email about Hardin County taxes. I remembered when I researched "The Company"(Chester County Militia) I had copied SOME of the entire tax records for Madison County, KY. Sooooo:

Madison County Tax Records:

? SR.
✓1789 Leonard Reed white tithables 2 Horses/mares/colts 4

✓1790 none

? SR.
✓1791 Leonard Reed white tithables 3 Horses/mares/colts 4

✓I believe on the above tax records you had to be above 16 years of age. And the taxes were done at the end of the year. In 1792 Kentucky became a state and the taxes changed slightly, but was still taken at the end of the year.

-b)(ca1771)
1792 Leonard Reed White males above 21 2, wh males above 16/under 21 1,
no land noted this year, Horses/m/c 4, cattle 4 (this would incl oxen)

1793 sorry I do not have the entire tax records. I do have some R's but Leonard is not on them.

1794 Edward Reed White males over 21 1, Horses/m/c 1 cattle 2
Leonard Reed " " " " 1 " " 3 " 2
118 acres 3rd rate land

The taxes are now being recorded in May and June. This is all I have with the Reed's.
It is possible Leonard bought this land, but we will not hold our breath. Most of the men bought land in Madison County but sold it and moved on. IF Leonard Sr. bought this land when he sells it, his wife has to release her dower rights in the property. It is a possibility.

Edward Logsdon Jr. and George Oller bought their property the same day 02 June 1792, from Green Clay. Though Edward remained in Madison County the rest of his life and died about 1836, George Oller moved on to Hardin County, then Barren County and finally to the Territory of ILL in the southern counties, where he died in March 1823.

There were a lot of Reed's in Madison County, MO. In fact one Leonard Reed married there in 1849. This county was created in 1818 before MO became a state.

Reed

In 1828 two Reeds appeared on the list of qualified Gasconade County voters-Henry Reed and Leonard Reed. Their names also appeared on the petition to move the county seat that same Year. Census schedules indicate that both lived in the southern section of the county. The Goodspeed writers in 1888, stated that Henry Reed was one of the county's first white settlers and lived on the Bourbeuse subsequent Land records show that his lands were on the Dry Fork of the Bourbeuse two tracts to Robert Skinner and William Bumpass. Both were in Twsp. 41 North Range 5 West with Skinner getting land in Section 46, Bumpass in Section 25. Henry and his family were enumerated in the census of 1830. He was 40-50 yrs old. His wife, three sons and three daughters were also enumerated. As names of family members were not given in the census prior to the 1850 the names of Henry's children have not been determined.

Leonard Reed Sr, aged 50-60 yrs in 1830, and his wife, three sons and two daughters lived near Cleavesville where several other Reeds were living then others were Leonard Reed Jr. John Reed, Sylvester Reed, William Reed, Edward Reed, A Reed and Henry Reed Jr. Of these, John Reed was 40-50 yrs of age and is believed to have been a brother of Henry and Leonard Reed Sr. As with Henry Sr., the names of the children of Leonard have not been determined, except to speculate that one son was Leonard Reed Jr.

John Reed, born in Kentucky 9-16-1789, according to a Bible record, was married to Drusilla Durbin in Barren Co, Kentucky 11-30-1807. Being under legal age his marriage bond was signed by Leon Reed. This was likely the same Leonard that settled in Gasconade County, an older brother of John. Drusilla Durbin was born in Kentucky 2-14-1782. She was a cousin or other close relative of Phillip Durbin, who also settled near the Cleavesville community about the same time as did John and Drusilla Reed.

When John Reed and family arrived in Missouri they settled near Pacific, Franklin county. They resided there until the mid-1830's when they established themselves in Gasconade County. They were the parents of one daughter, Priscilla who was born 9-2-1809 in Kentucky. She was married to Joseph Crider Sr. in Franklin County 9-14-1826. Following their marriage Joseph and Priscilla made their home near Cleavesville. Her parents also came and bought public land close by.

John Reed's land was located in Section 20, immediately west of the old Cleavesville school. He later bought land in Section 29 from his son-in-law, also an 80 acre unit tract in Section 20 from the U.S. Government in 1856 at 12 ½ cents per acre. The latter tract, known as the David Crider farm, contains the Crider Cemetery, an area landmark.

Before his death in 1865, John Reed had devised all of his lands to his grandchildren. One tract went to David Crider while the lands in Section 20 and 29 that comprised his homestead went to Joseph C Crider and the tract in Section 20 near Cleavesville went to Hiram Crider. Hiram died at Vicksburg, Mississippi during the Civil War and the land passed to his brothers and sisters. It ultimately passed to Peter W. Crider and is now the homesite of Edward Crider. The homestead tract is now held by Richard Terrill and his wife. Edna is a great-granddaughter of John Reed, also a granddaughter of Joseph Crider who spent his entire life at his homesite.

Both of the film came in that I ordered but the library has misplaced the one for the land records. But, they are actively looking for it. However, I did review the tax records for Barren County KY from 1799 thru 1815. After reviewing the tax records there is no doubt in my mind, the following sons are Leonard Reed Sr.'s in order of their birth, because this is the way they come up on the tax records.

Edward Reed
George Reed
Henry Reed
Leonard Reed Jr.
John Reed

When John Reed is taxed the first time in 1808 he has the following after his name:
(L R)and he is under 21 in 1808. Edward Reed is there in 1799 and does not reappear until 1809.

Leonard Reed Sr was alive in 1811 with no horses or cattle. After 1811 taxes in the spring, Edward and Leonard Sr. disappear. There is one Leonard Reed that remains thru 1815, who I believe is a son of George Reed Sr.- Leonard Reed Sr.'s brother.

John Reed may have remained thru 1812 because he has 200 acres of land. Or this could be another John Reed. There are a few Reed's in the area, but you can easily separate them because the tax records lists "entries"(how you get to the property).

Barren County KY was established in 1799 from Green and Warren counties.

The migration pattern of the Oller's were from Madison>Hardin>Barren and they also left Barren after the 1811 taxes, but the went to the territory of ILL. George Sr. was on a deed in Johnson County terr. of ILL in 1813, stating he had performed work in Cape Girardeau, MO. but was a resident of Johnson County. After ILL became a state in 1818, the Oller's are found in Union and Alexander Counties ILL.

It is quiet possible they all went together, some staying in ILL and some going on to MO terrritory. Based on the tax records it certainly appears that way.

Based on the combined property records of Franklin county Mo the following is a list I copied and to the right is my rendition of who they are:

Edward Reed s/o Leonard Sr.
George Reed s/o Edward
Henry Reed brother to Edward
John Reed Sr. brother to Edward
John Reed Jr. s/o Edward
Leonard Reed brother of Edward

George Reed Sr. born 1748 applied for a pension in Breckenridge County KY for service in the Rev War under the act of Congress 07 June 1831. He was 85 years of age and stated he entered the service in Montgomery County MD. This man I believe to be the brother of Leonard Reed Sr. Montgomery county MD was established from Frederick County in 1776 and Frederick county MD is where George Oller and Leonard Reed served in the MD Militia.

Someone sent me some info and if it is true, looks like Henry Reed born 1785 married an Isabelle. They sent "in 1833 in Franklin County, MO Henry Reed and wife Isabelle transferred property to Leonard Reed.

I do not know if I sent this to you before but Henry Reid married Isabelle Roberts in Clay County KY 24 Jan 1808. Clay county was formed from Madison, Floyd and Knox counties KY in 1807. The Roberts family were Marylanders and went to NC early then came into KY. Nathan Roberts is supposed to have married a Hannah Logsdon. Most people states Hannah is from Edward Logsdon's line, but I do not think that is true. Hannah is not a name that even comes up in Edward's line. If he had a sister named Hannah, most likely he would have a daughter Hannah. From the Madison County records this Hannah ties to be a sister of Elisha and I believe they tie to William.

What I cannot understand is the 1850 census states Henry was born in TN. which is odd if he is a son of Leonard Sr.

I looked back over my old paperwork and found where Leonard bought land in Yogohania VA/PA. Now I will have to look for a sale.

I have some questions about the Reed family. If you cannot answer them, it is OK.
And if you cannot answer them, please direct me to someone that can. But this someone must actually do research, not take someone else's work. I would appreciate it very much.

I did find out what the word "Burbus" meant by Henry Reed's name in the Catholic church. It was referring to where he lived on the Bourbeuse River. In the history of Gasconade County it states"the first permanent settlers it is believed came into the county in 1812 and among them were Henry Reed, on the Bourbeuse.

I have some news that I have not confirmed. George Oller Sr. had a daughter Honour Oller who married David Johnson. In Alexander County Ill Polly Johnson(believed to be d/o David and Honour)married a William Weir in
2 1821. There is a Wm Weir on the Gasconade county 1830 census, right above Henry Reed. When Sylvester 7
0 Reed marries in 1837 in Franklin County MO Elizabeth Ware, I believe her name is Weir. 0

William Rattles marries Polly Reed in Gasconade County MO 07-03-1838. Was William the son of Alexander Rattles who married Rebecca Durbin 27/30 Jan 1800
in Madison County KY. If so, Drucilla Durbin wife of John Reed was sister to Rebecca Durbin Rattles.

Oh, what a tangled web they wove!

Subject: Leonard Reed Leland

I have reviewed the microfilm of Woodford County, KY for the will of Leonard Reed Leland, to confirm what the abstract had in print. The name Leonard R. Leland appears 4 or 5 times before 1808, when the will was written. What I did notice that someone did a book called Kentucky wills, and his name appears as Leonard Reed. So I can understand now how the mistake was actually made that this was Leonard Reed.
I read the film from about 1805 thru 1809, to make no mistake. It is certainly speculation on my part, but this man's name could have actually been Leonard Redd Leland. There was a Thomas Redd in the same court records.

Leonard wrote the will on 14 Sept 1808 and it was filed Jan 1809 after he died. The men that filed it was William Vawter and Samuel McClain, stating they were a witness.
In April 1809 the will was annexed and Allen Caldwell became the administrator of the will.

Leonard R. Leland had a sister Jane and his mother was Jane. Charles Railey was a commissioner for Woodford County KY.

We can now put this to rest.

I have only received one film so far and it is the one with Woodford County, KY wills. Since I have an abstract of this, it can only confirm what I previously emailed you, about Leonard Reed Leland, with a mother Jane and sister Jane.

In going thru some of my Logsdon records(Joseph s/o Edward 11) I did confirm Edward Reed s/o Leonard ReedSr., Catholic and so are two of his sons. The following is all quoted from a book called "Apostle of Central Missouri" by FR. Hugh Behan:

Ferdinand Helias born in Ghent(modern Belgium)came to the United States as a member of the society of Jesus(Jesuits) In 1838, at the age of 41 he was sent to Westphalia in Osage County, MO, in central Missouri, to begin an official Jesuit residence, a missionary headquarters.

Father Helias founded seven churches, which exist today and served persons scattered along the Missouri and Osage rivers, alone for a time and later with help in a twelve county area. He is called the "apostle of Central Missouri, " and he died at St. Francis Xavier Church, Taos, at the age of 78 on August 11,1874.

Father Helias took a census of the mid-Missouri Catholic settlements in 1838. No translation has been done though it was attempted. Unquote.
I was able to determine the following info was done April 1,1839, based on page 179.

In the book page 180 on the right it reads "In pago vulgo Bailey's Creek" and the people listed are mostly proven descendants of Edward Logsdon 1st. Edwaurdi Simon 68 y/o, Sarah Simon (his wife) 69 y/o and a son William (Wilhelmus) 39 y/o,
in the same listing with a Joseph Logsdon who married Sarah Atterberry/Atterbury in 1804 in KY. Albion and John Logsdon married two of Edward Simon's daughters.
Edward Simon was the s/o John Simon Sr and Ann Logsdon(Ann born 1750 was a dau of Edward Logsdon 1st). 06/02
In this same listing is the two daughters of Edward Simon and they are with their spouses and have a family.
Margaret West Flatt Miller
is also listed. She is the d/o William West and named in his will. Margaret West married James Flatt(s/o John Flatt and Patience Logsdon, Patience was a d/o of Edward 1st). Margaret West Flatt married James Miller, because her husband James Flatt died in 1826 in Gasconade County, MO. Margaret is listed"Margaritha Miller & tres pueri" her son John J is listed " John J. heth". I do not know what the words tres pueri and heth mean. But I would like to find out. Do you know anyone that knows? The book states the info written is a combination of Latin, Old French, Belgium and German.

Below this is "In adibus Samuel Farrall Louis Creek"

John
Henry Reed Burbus
Edward

I would also like to know what the word "Burbus" means.
I did not copy beyond this page because I was researching the Logsdon's at the time. When I return to the Huntington Beach Library, I will see if I can find the book again.
I have never been able to determine who this Joseph Logsdon's father was. He married in KY in 1804. Joseph was listed in Madison County, KY in 1789 as Joseph LodgsonJR., a military record that I have. Joseph died in Adair County Mo in 1846 without a will. It is evident he is part of the Edward Logsdon line either thru a son that died or he is an illegitimate son of a daughter, of Edward the 1st.

All the other people that I have listed are descendants of Edward 1st. Oh, I forgot to mention one person on the "pago vulgo Bailey's Creek" census- Patientio Howard

40 y/o and Ignatius, Wilhelmus, Elizabeth, and Maria. No ages were given for the males. This Patience Howard is listed on the 1840 census next to James Miller and
second wife Margaret West Flatt Miller, with no husband, but small children either 5 or six. I believe she connects to William Howard and Elizabeth Reed but have no proof at this point.

I hope you have enjoyed my little dissertation.

Email: Doris Teague [freda@web-access.net] to Fred Lager - 7 June 2004

Thanks one more time. I am really appreciating the information you are sending me. I have only been working on the Reeds for about two years.

Under Edward Reed and Margaret Close, the ? Reed is Edward. I have his being born about 1805 in MO. This date was recording on his grave stone. He died in 1885 in Montague, Texas. He is buried in the Reed Cemetery north of Saint Jo, Texas. He and his son, Miles Felix Reed, had moved to Montague Co., TX by 1860. Miles received a land grant from the State of Texas in 1860. the grant was located in Montague Co., TX. Edward served in the 17th Regiment of the Texas Infantry, which was Allen's Company. He received a land grant from the State of Missouri in 1849.

Who is

I am in the process of documenting the parents of Rebecca Colvin. I think she was born in between 1810-1815 in MO.. On Miles' death record, Rebecca is listed as Becca Ridenhour. I have done a lot of research, and cannot find a Rebecca Ridenhour in the right time frame and place; however, I think I have found a Rebecca Colvin with the right time frame and place. A marriage bond was issued for Edward Reed and Rebecca Colvin, in 1830 in Franklin Co., MO. We have found nothing on a marriage between Edward Reed and Rebecca Ridenhour.

Our Rebecca was buried in the Crow Cemetery in Orr, Oklahoma. I need all the information on her I can obtain in order to try to find a death record on file in Oklahoma. The local court house does not keep death records. The records have to be obtained from the State office in Oklahoma, City.

I plan to go to Montague, Texas, and then over to Gainesville, Texas, this weekend in search of Edward's death records. Some of Edward's descendants lived in Cooke Co., Texas, and I am thinking that maybe where he died.

I hope to have all this information recorded in the near future. Will send you a copy as soon as I can.

Thanks again
Doris

I have been able to identify 4 children of Leonard Reed Sr. and I am pretty positive on the 5th one.

1. Edward Reed M. Margaret Close (naturally)
2. Elizabeth Reed M. William Howard 28 Sept 1793 in Madison County, KY. Edward Reed was the bondsman.
3. George Reed M. Mary Arnold 06 Jan 1803 (bond date was 05 Jan) William Howard was the bondsman.
4. John Reed M. Drucilla Durbin(naturally)

Now read this one- Mary Read married Joseph Ingland(it is really England)in Hardin County KY 02 Sept 1797, by the minister J. Dodge. This minister just happened to marry quite a few Logsdon's in Hardin County KY. The surety for this marriage was Joseph Bozorth, Joseph England's step father.

Joseph Bozorth married Prudence Ingland/England in Hardin County KY 12 Feb 1795 by J. Dodge. This is two years before the above marriage of George Reed. Prudence was a widow and had lost her husband (I do not know his name). Prior to this marriage, in Madison County KY 05 June 1792 court records Joseph Logsdon is appointed guardian to Joseph England orphan of Prudence England. This Joseph Logsdon was "Bulger Joe Logsdon" the s/o of Old Thomas Logsdon(Old Thomas was the s/o William Logsdon the immigrant). It gets deeper.

When Mary England married John Williams in Madison County KY 25 May 1792,
Thomas Logsdon was the bondsman. This Thomas Logsdon was the brother of "Bulger Joe Logsdon," I have proof on a deed. So Thomas and Joseph Logsdon were Uncle's to the Prudence, making her a Logsdon,
? probably daughter of Old Thomas and Mary Logsdon. But this is not the Logsdon line that I believe Leonard Reed ?
married into. I believe Leonard married into Edward Logsdon's line, the youngest son of William Logsdon the immigrant.

Later William Logsdon(born about 1742 the son of Old Thomas Logsdon) son Willian born about 1770 will testify when he is about 78 years of age that he played with the Bozarth family. Joseph Bozarth was born before 1765. Check out Simon or Joseph Bozarth on Roots, by Gayle Mark. Gayle knows the lineage but not the Logsdon connection.

I had a record that I had written down and put in my Reed file a while back but did not understand the connection. When Job Cooper died in Hardin County Ky 19 Nov 1804 his will stated the appraisers of the estate was Edward Reed, Isaac Finley and Thomas Logsdon. This Thomas Logsdon was the s/o of William Logsdon born 1742. Thomas was probably born before 1770, according to the census. Thomas Logsdon the s/o William b. 1742 married an "Amy" and I have never been able to figure out her last name.

But I do understand why Edward was on this will record now, because he is a brother of George Reed. I think I am correct in stating Mary Arnold is the daughter of John and Rebecca Arnold of MD.

If you do not understand what I have written, ask me questions.

I read all the information that you put on rootsweb, but I have a question. On one of the notes you have listed an "event:Census 1790 1790 Washington county PA with a small 5 underlined, what does that mean.

The tax records from the LDS History Center is:

Leonard Reed Madison County KY 1789
Leonard Reed Barren County KY 1800
Leonard Reed Jr. Barren County KY 1800

By 1830 Franklin County MO:

Edward Reed Pg 144 Boles twp.
Edward Reed Jr. Pg 144 Boles Twp
John Reed Pg 144 Boles twp
George Reed Pg 145 Boles twp
Leonard Reed Pg 147 Calvey twp

By 1830 Gasconade County MO:

Leonard Reed pg 159 no twp
Leonard Reed Jr. pg 159 no twp

Would you please forward these messages to Rhonda Bellar if you have her email address? Thank you.

I have ordered the microfilm for Woodford County Ky. probate records. But I want you to know I do not believe this is the same family. The following are my notes from a printed book: Leonard Reed Leland Will Bk C pg 181 Woodford County Ky dated 14 Sept 1808 recorded Feb ? 1809. Mother Jane Leland, sister Jane Leland. Executor Charles Railey and Jane Leland(mother).

In browsing the KY land grants today I found:

Edward Reed 200 acres Bk 15 Pg 325 09-12-1796 Logan County KY Green River was the water course.

Leonard Reed 200 acres Bk 8 Pg 392 09-12-1806 Logan County KY Green River was the water course.

William Reed 200 acres Bk 1 Pg 272 08-18-1796 Logan County KY Muddy River was the water course.

John Reed 400 acres Bk 3 Pg 273 08-21-1806 Black Lick Fork was the water course (I do not think this is the John that married Drucilla Durbin).

John Durbin 100 acres Bk 8 Pg 394 09-12-1796 Logan County Ky Green River was the water course.
John Durbin 200 acres Bk 8 Pg 395 07-15-1807 Barren County KY no water course
John Durbin 96 acres Bk 8 Pg 397 10-19-1807 Barren County KY water course states 1 1/2 mi Green River.

Two Reed's served in the war of 1812, namely Leonard K. Reed and George Reed in the same company as privates, under Capt Jobe Glover's company of the KY mounted Militia commanded by LT. COL. Young Ewing.

Fred,

According to this email received from Betty Ollar it is apparent that Leonard Reed Sr.might be the father of Edward. After reviewing the 1790 census there is a Leonard Reed listed as living in Washington Co, PA. However, it is still inconclusive of this is indeed the father of Edward. Any ideas or information?

Subject: Re: Edward Reed

first I would like to introduce myself if you do not mind. I am Betty L. Ollar Mozisek born 08 Dec 1938 in Lincoln county Arkansas. George Oller Sr and Prudence Logsdon are my 4th great grandparents. On the maternal side, Prudence Logsdon was the daughter of Edward Logsdon 1st(s/o of William the immigrant)and wife Sarah McQueen of MD. Sarah McQueen was the daughter of Dugal McQueen a Scottish Jacobite banished to the colonies during the 1716 Scottish/England Rebellion. Edward Logsdon had married Sarah by 1742 according to a deed in MD.
Dugal died and left a will in 1746 in Baltimore county MD and Edward Logsdon 1st was a witness to the will. I can elaborate more on the Logsdon line but I am not sure you are interested, right now.

Your Edward Reed is the son of Leonard Reed born in MD or PA around 1750-55 and an unknown wife at this time. And Edward Reed was born in MD. So I will begin in MD where it all starts. You will read names you probably have not known before because you did not know Edward Reed's father. But you will see how this all ties together as I write.

In Frederick county MD there is a court record of one George Aller being apprenticed to a John Uncell/Unsill. The record is in 1768 and states George was 17 years of age. The record was in the November courts of Frederick co. MD. Our first Continental congress began to address military preparations in September 1774 and Maryland resolved to establish a regulated militia in December of that same year. By August 1776 a new county was formed from Frederick co. called Washington county MD. By 1776 men were required to take an "oath of allegiance" to the province of MD. On the 28th day of August 1776, 64 men took this oath under Capt Charles Coulson's Company of Militia in Washington county MD. Of this list of men, significant names like Logsdons, Durbins, George Oller, Leonard Reed and John Sapp appeared. Edward Logsdon 2nd s/o Edward 1st and Sarah McQueen went to an area called Harmon's Run in Yogohania VA/PA. This land was claimed by both PA and VA in 1775. Edward tomahawked 400 acres of land. If you look on a map today it is in Washington County PA. and look to the left in west Va you will find a city called Weirton. Harmon's Run was north of Weirton and just a little south of where the Ohio River runs east to west or vice versa.

Sometime between 1776 and 1780 4 men joined Edward Logsdon in that area. Those 4 men were George Oller, Leonard Reed, John Sapp and John Simon. Captain Edmond Baxter formed the 4th Battalion of the Chester county militia. No one at the PA Archives can explain why this company was called the "Chester county 4th". "The Company" as I will affectionately address it was formed from Yogohania and Ohio counties VA and Washington county PA. It consisted of men from PA, VA and MD. But, mostly Marylanders. There were 73 men in The Company and George Oller, Edward Logsdon 2nd. Leonard Reed, John Sapp and John Simon were in this company. Another man not listed in The Company was John Flatt but was there.
These men stayed in this same area from 1781 to 1787. In November of that year Edward Logsdon sells part of

his land off. By 1788 12 of these men and their familes have arrived and are taxed in the territory of Kentucky. It is important to note that
Edward Logsdon 2nd, George Oller, John Sap and Leonard Reed were taxed in 1788
in Madison county territory of Ky. I name these men specifically as they seem to tie to my families. John Simon did not come until a couple of years later. John Flatt also came in 1788, but I list him separate as he was not in The Company. Other men of this company came later. Without looking it up in my file 26 of the 73 men were in KY by 1793, even Captain Edmond Baxter.

Now I will take a break and send another email in a few minutes.

Subject: Re: Edward Reed

I know my George Oller Sr. sold part of his land to John Simon Jr. on the 1st day Oct 1793 and went to Hardin county KY. John Simon Jr. was the s/o of John Simon Sr.
who was in The Company. John Simon Jr. married Ann Logsdon the d/o of Edward Logsdon 2nd in 1792 in Madison county KY. In my earlier email I might have stated John Simon Sr. did not come until a couple of years later. Actually he was in Jefferson county KY in 1789 and later came to Madison. John Simon Sr. had married Ann Ann Logsdon a sister to Edward Logsdon 2nd. She was born 1750 in MD. So the
children John Jr and Ann were first cousins.

George Oller Sr had married a sister to Edward Logsdon 2nd in MD about 1775. Her
name was Prudence"Prudy"Logsdon.
John Flatt had married a sister of Edward Logsdon 2nd, her name was Patience Logsdon.
George Sapp was the bondsman for the first daughter of Edward Logsdon 2nd's
marriage to Joseph Durbin. George Sapp was either a son of John Sapp or John's name was actually John George Sapp.
I hope you are not getting bored with this history, just bear with me.
I cannot find my tax records of Hardin county KY right now. But I can tell you when
George Oller moved to Hardin county so did Leonard Reed. As you now know his oldest son Edward married there. Then George Oller Sr moved to Barren county KY and so did Leonard Reed or vice versa. On the tax records for Barren county Ky we find: date 09/10/1800 Leonard Reed, Leonard Reed Jr., George Reed and John Reed.
I can know that Edward did not move to Barren county until after 1804 because he was a witness to a will of Job Cooper 19 Nov 1804 along with Isaac Finley and Thomas Logsdon. But by 1810 Edward Reed is on the Barren county census with
3 males 10-16 1 male 0/10 and 2 females 0/10. Leonard Reed Jr. is on the same page. Edward and his wife is 26/45(Edward would be 40 y/o if born 1770). Edward also
has a female over 45 living with him. This could be his MIL. I state this because these
are the marriages in Barren county that I have. Leonard Reed married Nancy Satterfield 13 April 1803. Leonard Reed married Julia Wooley 18 August 1803.
Eleander Reed married Jacob Beam 20 August 1801. Catherine Reed married Isaac Johnson 21 Dec 1803. John Reed married Drucilla Durbin 3 Dec 1807. Drucilla
Durbin was a daughter of John Durbin and Ann Logsdon(Ann was believed to be a d/o Thomas Logsdon, 1st or 2nd is unknown).
I do not know if the Reed's were Catholic but the Durbins and Logsdon were heavy Catholics, at least for the first 3 or 4 generations in the colonies. I cannot be sure about my George.
Now I know your Edward moved to Franklin county Mo. And so did his brother John Reed. John Reed donated land for a cemetery to Peter R. Kennrick the Bishop of St Louis Mo. on 10-11-1844. It is known as St Michael's and is near Cleavesville, Mo in
Gasconade county next door to Franklin. I do not know if John and Edward were Catholic but Drucilla Durbin was, so John must have joined the Catholic faith. John and his wife are buried there. John Reed was born 09-10-1789 and died 12-19-1866.
Drucilla was older than John, being born 02-14-1787 and died 10-15-1865, both buried in St Michael's. John and Drucilla's only daughter Priscilla was born 09-02-1809 and died 01-01-1839, she is also buried there by her parents. Priscilla was married to Joseph Crider. After Priscilla died Joseph married Margaret Hendrix/Hendricks Simon
the widow of Edward Simon. Edward Simon was the first s/o John Simon Jr. and Ann Logsdon previously mentioned.

There are many Reed's located in Gasconade county MO. Leonard Reed is there
in 1830 50/60 years old, who I believed to be Leonard Jr. Edward Reed 36 y/o on the 1850 census. Hiram Reed married Lucy Durbin 09 Aug 1847. Hiram was a son of Henry Reed Jr and Rachel Robinson. Lucy Durbin was a daughter of Phillip Durbin and Lucy Logsdon(d/o Edward Logsdon 2nd and wife Mary Ann "Polly" Brown who married in Madison county KY). John Flatt's son James who married Margaret West is also in Gasconade county Mo. and probably others I have not connected yet.
You have now entered the world of Logsdon's and Durbin's are you sure you want to be here???
Now it is your turn to update me on Edward Reed.
You see I believe Leonard married into the Edward Logsdon family but cannot prove it. And to top it all off my George Oller's first son was Leonard Oller. and I have found no other by that name in MD. George's 3rd son was Edward named for Edward Logsdon 1st and 2nd I am sure, because there were no other Edward Oller's.
I hope I have been helpful to you. But now you can see why I gave all the history that I did. There is a connection here but I do not know how.

REED-READ

Henry Reed, Jr was born 30 December, 1802 near Lexington, Kentucky and came to Franklin County, Mo around 1810 with a large number of the Reed families from Barren County, Kentucky. In about 1823 he married Rachel Robertson, born July 14, 1806. In 1823 he sold his Franklin County land and moved to Gasconade County in the Cleavesville Bland area amid the Kentucky Reed families who settled there in the 1820's. Here he farmed until his death in 1849. He is buried in the Crider Cemetery located on the Crider farm near Bland. A Catholic Church was built at the Crider Cemetery in the 1840's. It is called St. Michael's at Reed's Settlement, John Reed being instrumental in it's establishment. The Reeds and Criders were the first settlers in the vicinity.

Henry and Rachel Reed, Jr had nine children. Hiram (6-6-Logston) ?spelling check*; Durbin Rhoda (5-9-1827); Andrew Jackson (11-8-1829) married Sarah Jane Brewle October 29, 1954; David (9-24-1833); Daniel Viggie (4-14-1836) married Caroline Priscilla Read March 11, 1855; Melinda (12-9-1838) married Havier C. Durbin on February 12, 1854; Margaret (3-22-1841) married Jacob Hamilton; Mary Jane (11-30-1844) and Moses (4-11-1847).

After the Civil War most of the family moved to the southern counties of Missouri. Rachel (Robertson) Reed with children Hiram, Melinda, Margaret and their families moved to Webster and Laclede Counties in the Conway area. Rachel died in 1881. Hiram died August 21, 1894 and his wife Lucy died in 1910. They are buried at Conway in the Reed Catholic Cemetery, the land for the cemetery being donated by Hiram Reed. The church was built in the fall of 1876.

In 1867 Daniel Viggie Reed, the fifth child of Henry and Rachel Reed, Jr moved to Texas County, Missouri settling near Cabool where he died of typhoid on August 27, 1969 leaving his widow Caroline (Read) Reed with four small boys: Albert Alexander (10-31-1857 to 11-15-1921) married Sarah Ann Pool; Robert Henry (1-14-1860) married Laura India Slankard; William Columbus (6-3-1863 to 2-14-1926) married to Mary Ella Burton; David Orlando (9-8-1868 to 6-20-1927) married Rhoda Cordeha Elhou ?spelling check*.

Caroline Priscilla Read, wife of Daniel Viggie Reed was born in Marion County, Tennessee on

September 6, 1835. She was the second of a dozen children born to Robert W. Read (born in 1810 in North Carolina) and Evaline C. Hulvey (born in 1812 in Tennessee). The other children were: George J (1833) died of smallpox in 1855; William Conrad (1837); Elizabeth (1839) ; Columbus (1840) died in the Civil War; Emanuel (1842) died in the Civil War; Henry (12-26-1843) married Mary McMillin, and spent a good part of his life improving education in Gasconade County. He died in 1883 and is buried at Canaan, Missouri; Mathilda (1845); Mary Ann (1847); Benjamin B. (1849); Thomas L (1852); and Sarah Jane (1854).

This Read family moved to Gasconade County in 1840, from Marion County, Tennessee with the Conrad Hulvey family and settled on land south of Bland on Jake's Prairie. Robert Read, a Baptist elder helped establish the Mount Pleasant Baptist church there in 1844 and performed marriages during the 1850's.

After the Civil War they moved to Texas County settling near Cabool where Robert W Read was one of the charter members of the Pleasant Hill Baptist Church. He died in July, 1869 of diphtheria and is buried in the Pleasant Hill Baptist Cemetery along with his wife Evaline C (Hulvey) Read who died in 1874. His daughter Caroline Priscilla died April 2, 1923 and is buried there beside her husband, Daniel Viggie Reed son of Henry and Rachel (Robertson) Reed Jr.

PS I hope this helps. I received this from another genealogy friend. I believe it was copied from a book found in the Family History Center in Mo. If you need further proof let me know. I will have to email several individuals to find out who sent it to me.

Leonard Reed was from Frederick and Washington Counties MD, then went on into Yogohania VA(Washington County PA today)then came to KY with the Logsdons,Ollers Durbins and Simons families along with oter men in the Chester County Militia in the Rev,War

From Betty Ollar 20 Oct 2001

Leonard Reed was in Frederick/Washington county MD and served in the militia there about 1778. He went to Yogohania County VA. about the same time my George Oller Sr. went. This area was claimed by VA and PA at that time. Edward Logsdon went there in 1775 and got 400 acres on Harmon's Run/Harmon's Creek , If you look on your map this is just north of Weirton West VA today but by 1781 it was called Washington County PA . There was about 75 men who served in Capt Edmund Baxter's company called the "Chester County Militia" during the Rev.War in that area. Most were from MD, but some were from PA and VA. There was a group of 26 of those men from that company that came into KY in 1788/89. Leaonard Reed Sr. was one of those men, along with George Oller and Prudence Logsdon, his wife and Edward Logsdon and Mary"Polly" Brown his wife. They settled in Madison county for a while then later went to Hardin County, then Barren. When Elizabeth Reed married William Howard 28 Sept 1793, Edward Reed was the bondsman. Then later Edward Reed married Margaret Close in Hardin Co, 9 April 1795. My Oller's and George's son in law "Stumpy" John Durbin moved to Hardin too. Stumpy shows getting some acreage in Logan county but it is the same property he sold in Barren County before they left for Ill. in 1811. In Barren John married Drucilla Durbin, a sister to Stumpy Durbin, so they became BIL's. I think you have the marriage. There was two Leonard Reed marriages in Barren, one to Nacy Satterfield and the other to Julia Wooley, both in 1803. The taxes for Barren show Leonard Reed, Leonard Reed Jr., John Reed and George Reed all dated 09-10-1800. Two female marriages took place, Eleander Reed to Jacob Beam and Catherine Reed to Isaac Johnson. These may have been Leonard's daughters. I cannot tell you for sure. I belive Catherine died because there was another marriage for an Isaac Johnson two years later, but he could have been someone else. John Reed went to Gasconade County Mo and I believe Edward went to Franklin but some of his children may have went to Gasconade. John's daughter"Priscilla" married a Crider, Joseph I think, but she died and Joseph remarried Margaret Hendrix / Hendricks Durbin, widow of Edward Durbin, son of Philip Durbin and Lucy Logsdon. I know Leonard left a will, but I cannot remember what county it was in. I looked for it today when I was at the library but did not find it. Thesre is more tell me where you come in.

CAPTAIN EDMUND BAXTER,LIEUTENANT GEORGE BROWN** last man on the list. 74 men appear in this list and 24-26 of these men came to KY from 1788 to 1796. I believe Capt. Baxter came in 1796.

"A LIST OF TITHABLES AND TAXABLE PROPERTY IN THE DISTRICT OF AARON LEWIS COMMISSIONER IN THE COUNTY OF MADISON DISTRICT OF KENTUCKEY FOR THE YEAR 1789 TAKEN BY ME AARON LEWIS" in the list under "R" because it is alpha order "REED LEONARD" WHITE TITHS 2 NO BLACKS OVER 16 NO BLACKS ABOVE 12 AND UNDER 16, HORSES MARES AND COLTS 4. He is the ONLY Reed in this tax list for Madison County KY. My source on this is a microfilm from the LDS History Center. This means Edward was already 16 years old because KY laws at the time was any male was tithe 16 and over.

Leonard Reed was born in 1750-55 in Frederick/Washington Co, MD or PA and unknown wife at this time. Leonard was a member of the 4th Battalion of the Chester Co. Militia. He was the father of Edward Reed born in 1770 in Frederick Co, MD. The Reed's moved to Barren Co, Ky around 1793 where Edward married Margaret Close from Hardin Co, Ky on April 9, 1795. The Reed's migrated to Franklin Co, Mo around 1811 where they became one of the first settlers in the area. I am looking for the wife of Leonard Reed and any siblings.

Leonard Reed Sr. may have had one other son named William, but I have not proved this yet. My reason: The tax records of Madison county in 1791 states there are three (3) tithable males in the household. In 1792 there are 2 males over 21(Leonard Sr. and his son Edward) and one male 16-21, born 1771-1776. I do not have him in 1793(Leonard Sr.). In 1794 Leonard Reed and Edward Reed is listed and again a male 16/21. In 1795 Leonard Reed, William Reed and Edward Reed are listed, and they are the only Reed's in the county. I have not followed the William yet. Edward Reed son of Leonard Reed Sr. Edward's children: 1. George Reed born 1796 in Logan county KY.married Tabitha Robertson about 1820. 2. John Reed born about 1798 married Mary Hooper about 1823-25. She was the daughter of Thomas and Rebecca Brown Hooper. Mary Hooper was born about 1808. 3. Male born 1795-1800 unidentified as of now 4. Henry Reed JR. born 1800/1810(history has him born 1802)married Rachel Robertson/Robinson about 1825. 5. Female born 1800/1810 KY. unidentifed as of now. 6. Catherine Reed born 1805 in KY. married David Robertson about 1826. Notes on the unidentifed female born 1800/1810: there are people that claim this is an Elizabeth Reed who married one John Colvin. And other people claim one Elizabeth Reed married John Ridenhour.

Edward Reed son of Leonard Reed Sr. Edward's children:

1. George Reed born 1796 in Logan county KY.married Tabitha Robertson about 1820.
2. John Reed born about 1798 married Mary Hooper about 1823-25. She was the daughter of Thomas and Rebecca Brown Hooper. Mary Hooper was born about 1808.

5. Female born 1800/1810 KY. unidentifed as of now.
6. Catherine Reed born 1805 in KY. married David Robertson about 1826.

Notes on the unidentifed female born 1800/1810: there are people that claim=20= this is an Elizabeth Reed who married one John Colvin. And other people clai= m one Elizabeth Reed married John Ridenhour.

Elizabeth Reed (dau. Of Leonard Sr.) married William Howard in Madison county KY. 28 September 1793. The bondsman for the marriage was Edward Reed, Elizabeth's brother. By 1810 Wm. and family were in Louisianna Territory. This is all the children that I have been able to find and they are not in order of birth: Honor Howard married Henry Cowan/Cowin in Cooper

county MO. 08 July 1819. In 1830 this family is living next door to Leonard Reed Sr. Edward Howard married Mary Robinson 10 June 1824 in Cooper county MO. Henry Howard married Annis Nance 12 February 1828 in Franklin county MO. William Howard married an Anna by 1830 and is living in Gasconade county MO. according to the deeds of that county. A Male Howard(name unknown) married Patience Simon by 1821. She is a widow on the 1830 Gasconade county MO. census with 2 sons, Ignatius 10/15 and William 5/10 and 3 daughters 1-0/5, 1- 5/10, 1- 10/15. Patience is the daughter of Edward Simon and Sarah Weydt/Wyatt. She was born about 1800 in KY. and moved to Red River county TX. in 1839 when she was deeded 640 acres of land. In 1850 Patience is living in Navarro county TX. near her son William. I have not followed this family in my research, beyond what I have listed above. It is my hope that I will find the name of her husband while I am searching the Gasconade county records. –

George Reed born about 1778 either in MD. or PA. married Mary Arnold daughter of John and Rebecca in Madison county KY. 05 Jan 1803. William Howard, George's BIL was the bondsman. The Arnold family were also Marylanders. I have nothing on the above family. I have not been able to find the family on the 1810 census, although the tax records show him in the Barren county area five different times. Henry Reed (Sr.) born about 1781 in Yogohania county VA./PA.appears the first time on the Barren county tax records in 1802. In 1810 he appears next to William Howard in Louisianna Territory. On 24 September 1821 Henry buys public land described as 80 acres in Section 12, Township 43, Range 2 East, certificate number 76 from the St. Louis land office. The land patent states "Henry Reed of Franklin county". The known children of Henry Reed(Sr.) are Leonard Reed(Jr.) born by 1810 who married Rhoda Veatch/Veech/Veach 11 January 1827 in Gasconade county MO. Henry Reed was still a guardian of Rhoda on the 5th day of February 1828 and according to the court records is referred to Rhoda Veatch, now Rhoda Reed. Leonard Reed Jr. married again to Rebecca Branson 03/29/1832. Leonard died before the 6th of May 1839 in Gasconade county MO. and Rebecca is the administrator of his estate with J.B. Harrison as surety and J.B. Harrison and Henry Reed as signers. Sarah Reed born 1815-20 married Thomas Veatch 11 September 1832 in Gasconade county MO. There is a very strong possibility Henry Reed married Isabel Robinette, daughter of Nathan Robinett and Sarah Burnside. When Joseph Robinette named the heirs of Nathan Robinette in Franklin county MO. one of the heirs was Isabel Reed OF GASCONADE COUNTY. We know by the public land sale of St. Louis one Henry Reed bought 80 acres, but we have to place this land in Gasconade county MO. This will mean that in 1821 he moved from Franklin county to Gasconade. Henry also had a daughter Sarah and this makes me feel she was named for Sarah Burnside. James Burnside Reed born in MO. in 1825 would fit the age of one of the sons of Henry Reed Sr. in the 1830 Gasconade county MO. census. N.R. Reed(who I believe was named for Nathan Robinette) would also fit one of those sons. BUT my biggest question is how did these young men get to Denton county TX.? J.B. Reed did not marry until 1849 and he did so in Denton county TX. He was 24 when he married. I have to be able to place him with a family member in that area. More research is needed on this family. Henry Reed(Sr.) still has 3 boys and 3 girls at home in 1830. This is all I have on the family at the present time, that I am willing to commit to.

Leonard Reed Jr. son of Leonard Reed Sr. was born about 1780 in Maryland or Yogohania PA/VA. He married either Nancy Satterfield 13 April 1803 or Julia Wooley/ Woosley 18 August 1803 in Barren county KY. On the 1810 census of Barren county KY. Leonard Jr. is listed next county MO, 08 July 1819. In 1830 this family is living next door to Leonard Reed Sr. Edward Howard married Mary Robinson 10 June 1824 in Cooper county MO. Henry Howard married Annie Nason 12 February 1828 in Franklin county MO. William Howard married an Anna by 1830 and is living in Gasconade county MO. according to the deeds of that county. A Male Howard(name unknown) married Patience Simon by 1821. She is a widow on the 1830 Gasconade county MO. census with 2 sons, Jonathan 10/15 and William 5/10 and 3 daughters 1-0/5, 1- 5/10, 1- 10/15. Patience is the daughter of Edward Simon and Sarah Wesely Wyatt. She was born about 1800 in KY, and moved to Red River county TX. in 1839 when she was deeded 640 acres of land. There is a very strong possibility Henry Reed married Isabel Robinette, daughter of Nathan Robinett and Sarah Bosworth. When Joseph Robinette named the heirs of Nathan Robinette in Franklin county MO. one of the heirs was Isabel Reed OF GASCONADE COUNTY. We know by the public land sale of St. Louis one Henry Reed bought 80 acres, but we have to place this land in Gasconade county MO. This will mean that in 1821 he moved from Franklin county to Gasconade. Henry also had a daughter Sarah and this makes me feel she was named for Sarah Bosworth. James Bosworth Reed born in MO. in 1825 would fit the age of one of the sons of Henry Reed Sr. in the 1830 Gasconade county MO. census. N.R. Leonard Reed Jr. son of Leonard Reed Sr. was born about 1780 in Maryland or Yoguhania Co VA. He married either Nancy Entrekin 13 April 1803 or Julia Winsley/ Woosley 18 August 1803 in Barren county KY. On the 1810 census of Barren county KY. Leonard Jr. is listed next to his brother Edward on page 32 , last person on the page and he is listed as Leonard Reed JR.. As you know we have been unable to find Leonard Sr. on the 1810 census although according to the tax records he is there. JR. is 26/45 with wife 26/45, 2 males 0/10 and 1 female 0/10. I have always believed the census taker listed SR. as a female living with Edward, because there is a female 45+ living in Edward's HH. When I found the marriages, I thought Sr. had married again. but that is not true for two reasons. Number one a Leonard Ree is listed on the printed census of Warren county KY. in 1810. When I viewed the microfilm the man's name was actually Leonard Reed not Ree. This Leonard was 26/45 and wife was 16/26 with 3 males 0/10 and 1 female 0/10. There is no MO. census for 1820 but in 1830 the wife of our Leonard in Gasconade county is 50/60, so his wife was at least 30 y/o in 1810 in Barren county, born 1770-80. Leonard of Gasconade county is also born 1770 to 1780, so he is also 50/60 y/o. We know from the court record of Leonard Reed JR.(s/o of Leonard Sr.)that he had at least two children, namely Edward and Nancy Reed. Now is the time that I may mix the children of Henry Sr. and his brother Leonard JR. Leonard JR. had 2 sons 15/20 in 1830 on the Gasconade county MO. census, one son 10/15 and 2 females 5/10. The females could not possibly be his unless they are 8-10 years of age. And the older males of Leonard's were not the sons born before 1810 in KY. because they were born after 1810. I believe the daughter he refers to as Nancy is already married. This Nancy could be the daughter born before 1810 in KY. If this is true his daughter Nancy has married a Reed, because he refers to her as Nancy Reed AND you would not give all your personal property to a 5/10 y/o daughter. Leonard's son Edward Reed was either 17 or 20 y/o as you will see later on. Edward Reed born 1814 or 1811(36 y/o on 1850 census and 49 y/o on 1860 census) in KY. married Nancy Bittick 30 May 1833 in Gasconade county MO, daughter of either Thomas or Francis Bittick who were in MO. by 1810. They lived in Burbois Township on Jakes Prairie at least until 1860. I have not followed this family beyond 1860. Edward and Nancy's children are Elizabeth born 1838,Thomas S. born 1844, Francis M. born 1846, Drucilla born 1850, John H. born 1853, Edward born 1855, Simon born 1857 and William born 1849, or at least these are the children on the 1850 and 1860 cenus of Gasconade county MO. Nancy Reed born ? who was already a Reed by 1831. Sylvester Reed born at least by 1815-1817 married Elizabeth Ware/Weir 19 July 1837 in Franklin county MO. Sylvester could be the the male 15/20 in 1830 or the male 10/15. Sylvester purchased land in Callaway county MO. but died before 1850. His widow Elizabeth Weir/Ware Reed remarried a much younger man named Elisha Sterling 12-24-1849 in Gasconade county. She appears to have one child that is by Sylvester named Louisa 12 y/o. Elisha Sterling is living right next door to Edward and Nancy Reed in 1850. I reserve the right to change my mind on Sylvester Reed at a later time and this is the reason why. The 1840 line up of the Gasconade county MO. census on page 258 is like this: John Reed(s/o Leonard Sr.) and wife Drucilla Durbin Joseph Crider 40/50 wife 20/30 Danile Cryder 30/40 wife 30/40(married Elizabeth Reed 08-24-1826 Gasconade) Sylvester Reed 20/30 wife Elizabeth Weir 20/30 William Reed 20/30 wife Elizabeth Ridenhour 20/30 Thomas Veatch 40/50 wife 20/30(remember he married Sarah Reed 1832) George Reeves 30/40 wife 20/30 (married Mary Reed 08-06-1829 Gasconade) Henry Howard 20/30 wife 20/30 married Annis Nance 12 Feb 1828 Franklin P. Bitticks 20/30 female in HH 40/50 L. Reed SR. 50/60 wife 50/60 female in HH 30/40 another family relation if any unk E. Howard 50/60 wife 30/40(this is Edward Howard and wife Mary Robinson married Cooper county 1828) The above people are all listed on the census exactly as I have listed them above.

Subject: RE: Reed

Betty – you asked if anyone wants to be removed from your Reed mailing list. I most certainly want to stay ON the list. I find your research very interesting and really appreciate your detailed reports.

I do believe you are researching my direct line of Reeds. Although there are some internet reports that the Clay county KY Henry Reed who married Isabelle Roberts is my ancestor, your research makes me doubt it. I suspect someone found this Henry Reed marrying an Isabelle and said "Eureka – it must be him." But we know that you cannot just go by similar names in similar places at similar dates. Frequently there are cousins of the same name living in close proximity. I suspect the Henry Reed who married Isabelle Roberts is related – but I see no indication he moved to Missouri.

On the other hand, two of my Criders married Reed girls in Franklin or Gasconade counties of MO. That is where you have tracked your Reeds.

The only place where it gets really confusing to me is that they had so many Henrys and Leonards. And then – if what you suspect is true – Leonard Jr is the son of Henry, but Henry Jr. is the son of Edward.

But I think what best confirms that my Henry Reed married Isabelle Robinette is the information you found that shows Isabelle Reed of Gasconade county is an heir of Nathan Robinette. Also, that Henry Reed was named guardian of Louisa and Lavisa Robinette. Probably this was so their sister Isabelle could take care of them. Were they twins?

Can you please comment on and correct (or add to) my reconstruction of the Reed and Robinette families? This is based on what you sent me via email and snailmail.

If anyone wants to be removed from my mailing list, please let me know.

I will inform you of the bad news first. The film came in for Yogohania County and it is not the one I have had before, even though it is the number written on the back. It does now appear that I had two films. The other one that I think it is may be Ohio County Court Records". And I will order it this week. I did not have an opportunity on Saturday as my time was limited.

But I have some GOOD news!!!!!!!!!!! Contrary to what has been put out on the internet, I have proof that Henry Reed Jr.(born about 1802 or before)is a son of Edward and Margaret Close Reed and it is in the deeds of Franklin county MO..

1. Edward Reed purchased 80 acres on 05-10-1824. The land patent states"Edward Reed from Callaway county Missouri". This is certificate @ 246 and is located at www.glorecords.blm.gov/patentSearch. The land is described as West 1/2 of the North East 1/4, of Section 27, in Township 44 North, Range two East. Edward purchased this land for $ 1.25 an acre, it being public lands sold by the state of MO..
At some time and point he also purchased the East 1/2 also, but I did not find it in the public land sales. So Edward owned 160 acres of land, which is a whole quarter section of land(a whole section is 640 acres).

2. On the 10th of October 1832 Edward and Margaret sold 60 acres off the south end of the East 1/2 of the quarter section. They sold it to Henry Reed for the same price 8 years later($1.25 an acre)for $ 75.00. Decribed as " 60 acres off the south end".

3. On 03 August 1834 Henry and Rachel Robison/Robertson Reed sold to John Horinghouse this same piece of property for $200.00. Henry's father Edward Reed and David Robison(Robertson) witnessed the deed. all the tranactions were in Franklin county MO..

4. On the 6th of October 1834 Henry Reed JR. purchased property in Gasconade county MO. for $ 200.00 from one John and Elizabeth Carroll. Described as NW 1/4 of the SE 1/4, of Section 27, Range 6 west in Twp. 41 North.

5. On the 18th day of August 1834 Edward Reed sold the balance of his land, the original 80 acres he purchased in 1824, and described as such and an additional 20 acres, which was tha balance of the East 1/2 off the North end. Remember 60 acres of the 1/4 went to Henry, leaving 20 acres as the balance. At this point we have to assume Margaret is dead, because there is no release of a dower from her. He got $ 525.00 for the land. Edward sold it to William Wengler, two weeks after his son Henry sold his land.

Edward Reed moved to Gasconade county MO. at the selling of his property in Franklin county 18 August 1834. When Henry Reed the son of Edward moved to Gasconade County, right away the first land he purchases, he is referred as Henry Reed JR. because Henry Reed the Brother of Edward is and has been in Gasconade for a number of years, at least since 1821, when he bought public land. William Howard who married Edward's sister also lived in Gasconade county MO. or at least the deeds prove it.

I had discounted Henry Reed Jr. off and on, as a son of Edward, because if you read the info on the Internet, it states "the first three children of Henry Jr. was born in TN.".
The 1880 census is the first census that states where the father is born. In the will of Henry Reed Jr. in 1848, he names Hiram as the oldest son and Andrew as the second son, plus the other children. Hiram and Andrew was NOT born in TN. They always state they were born in MO. In the 1880 census Hiram states his father was born in KY and his mother TN.

The census of Edward Reed for 1810 in Barren county shows 3 males 10/16 and 1 male 0/10. Henry Reed Jr. is one of these sons.

Many other items will tie these families. Edward and one of the Henry's(certainly his brother Henry) were Catholic. With no ages Edward Reed and Henry Reed "on the Burbus" were in the Catholic Church records in April 1939. Henry Reed Jr's daughter Malinda married Xavier Conrad Durbin(s/o Edward Durbin, s/o of Phillip Durbin). Phillip Durbin born in MD. came to Gasconade county MO. in the middle 1830's with his
son Edward and daughter who married a Hendrix and another daughter who married a Johnson. Patience Simon daughter of Edward Simon and Grandaughter of John Simon Sr. and a Logsdon wife married a Howard male before 1830 and is a widow on the 1830 Gasconade county census, her sons are Ignatius"Nacy"(named for a Catholic priest)and William Howard. Edward Simon takes his whole family all married children to Red River county Texas by December 1839.

I could just go on and on but will not, as I believe everyone has got my point. But just in case you do not, my point is these people are children and grandchildren of them in the Chester county militia from Yogohania county VA/PA.

The microfilm for Yogohania has not arrived yet. It will probably take another week.

I have had to check somethings before I listed these facts for all of you to review. In the 1850 census there was a Nathan Reed listed on the census, in his 40's born in NC. I had to be sure this man and a Benjamin and William B. Reed were not in MO.
as early as 1825, because the latter two were on the 1840 census. and Benjamin and Nathan were both there in 1850(Gasconade and Osage). So here are the facts:

292.04

1. Henry Reed was married to Isabel Robinette and named in the estate papers of Nathan Robinette by his son Joseph, in Franklin county MO. Joseph, giving the names of all the heirs and where they lived, named Isabel Reed in Gasconade county MO. Henry Reed was a guardian to two of the daughters of Nathan Robinette. The 1830 census of Gasconade county MO. page 159 shows Henry Reed born 1780-90(remember he appeared on Barren county KY. tax records 1802, making him born about 1781). I believe he would be 49 years old, and he is listed 40/50 y/o. What I could not figure out was a 50/60 y/o female with him. Either the age of the woman was listed wrong by the census taker or this is Sarah Burnside Robinett, the widow of Nathan. The number in his HH is listed as nine, but only 8 people have marks. It is possible his wife is just not listed because there is no mark for her in a reasonable age slot.

The census of Gasconade county MO. 1830 page 159:

Henry Reed 1 male 5/10/ 1 male 10/15, /1 male 15/20 1 male 40/50
?. 1 female 5/10, /2 females 10/15, /1 female 50/60
Henry's son Leonard Jr. married to Rhoda Veatch is right below him.
Leonard Reed Sr.(s/o of Leonard Reed Sr.) is right next door. /

Please pay particular attention to the two males of Henry's 5/10 and 10/15. I have given you the marriages of Leonard Jr. and the proof he is a son of Henry. The MO. census is on the internet for 1830,1840 and 1850. Just go to your "search" and put in "missouri census". Pick the one that says "free" by Mackley. ?

In Gasconade county MO. Nathan R. Reed marries Sealy Reed 03/10/1839. At first I thought this was a typo, because of the Nathan Reed in his 40's from NC. had a wife Sally and she could have fit for this marriage. But this is not true, because she is a widow by 1860 and has with her only the younger children of hers and Nathan's.

? The Nathan R. Reed that married is believed to be the son of Henry Reed Sr. and Isabel Robinette, probably named Nathan Robinette Reed. He is 30 years old on the Denton county TX. census, born in MO. and listed as N. R. Reed, wife is 31 and is only listed as "C" for Cecilia/Cecily/Ceely etc. N.R. Reed fits the block of Henry Reed's son in 1830, 10/15(10 y/o). Sealy would fit the block for Leonard Reed's daughter 10/15(11 y/o). The children are listed as "A." male 5 y/o blind born in MO., William Oneal Reed 3 y/o born in TX. and "H." 1 y/o born in TX. Nathan and his family is the first person on the census of the county.

? A few houses away is one J.B. Reed 24 y/o born in MO. His wife is Fanny for Francis Yoakum, who he married in 1849 in Denton county TX. There are some familiar names from MO. in the county. The one in particular that stands out is W. Zumwalt.
The Zumwalt's also married into the Reed family in Franklin county MO.

✓ J.B. Reed is James Burnside Reed. Nathan Robinette's wife was Sarah Burnside. He bears the surname of his maternal grandmother, mother of Isabel.

For Pearl Reed your line is from J.B. Reed> Henry Reed Sr.> Leonard Reed Sr. and unknown wife at this time. I would like for you Pearl to tell me what county in TX.

that James was living in 1880. If all of the above is true James Reed's 1880 census will state his father was born in PA. because that is where Henry was born. At the least it may state Henry was born in KY.

For Bill Crider you have your connection. It is my understanding J. B. Reed went to California and lived there a number of years, then returned and lived in TX. until his death. And James would be the brother of Elizabeth Reed who married Daniel Crider Jr. 24 August 1826 in Gasconade county MO.

On the Gasconade county MO. census of 1850 there is one Henry Reed born in TN. but 65 years of age. He has a child named Joseph with him that is 21 years old. He is right next door to Rachel Reed(wife of Henry Jr. s/o Edward Reed and Margaret Close)who WAS born in TN. and on the other side of him is the Johnson family from KY. and the wife was a Durbin(Phillip and Lucy Logsdon Durbin's daughter). The Joseph 21 y/o is believed to be Joseph Verhaegen(Verhaegen was the last name of a Catholic priest in the area) Reed born 1829. I believe this is Henry's grandson thru his son Leonard Jr. and Rhoda Veatch. Leonard has a male 0/5 in 1830. Leonard would have named him after his brother Joseph who married Honor/Anna/Hannah Shobe in Gasconade county MO.(I have to get the date from the film)and died before 1830. Joseph is also a Robinette name.

And now we wait for the microfilm and "hope".

In my excitement yesterday to write every one about Henry and his children I forgot something important.

Sarah Reed, daughter of Henry Reed Sr.(born about 1781,s/o Leonard Sr.)married Thomas L. Veatch 11 September 1832 in Gasconade county MO. I had looked and looked for this family, because I knew they were still in Gasconade in 1840. Sarah had married an older man in 1832 so I was afraid he would die and she would remarry.

I have found them on the Red River county TX. census of 1850 and I am positive this is the family. Sarah is on the 1830 census with her father Henry and she is 10/15, actually she is 15(she is 35 in 1850). Sarah marries Thomas L. Veatch 11 September 1832 in Gasconade county MO.. On the 1840 census they have one(1)daughter 0/5, who I can only assume dies before 1850, because she is not at home or she marries very young. Thomas is 40 years old in 1840, so he married at 32.

Red River county was established in 1836 from the Old Mexican Municipality and the county seat is Clarksville. Fannin county was established in 1837 from Red River and Denton county was established 1846 from Fannin. Sarah's brother James Burnside Reed married in Denton county in 1849. This family never leaves Red River county TX. that I know of, because I have court records up to 1877 when a Thomas Veatch dies that year.

It gives me great pleasure to give you the family of the 1850 Red River county TX. census, Thomas L. Veatch and Sarah Reed(d/o of Henry and Granddaughter of Leonard Reed Sr.):

T. L. Veatch	50	born in NC
Sarah	35	born in MO.
Thomas	7	born ? (it did not say)
Missouria	3	born TX.
Mary Anne	2	born ? (it did not say)

The 1840 Gasconade county MO. census:

Thomas L. Veatch   40/50

Female	20/30	(Sarah is 25 y/o)
Female	0/5

Fred, I have a Henry Reed that married Isabelle Roberts in Clay County KY 24 Jan 1808, or at least that is what is in the typed records on microfilm for that county in KY.

Clay county came off of Madison, Floyd and Knox counties in 1807.

BUT all the posts for Henry ReedSr., 1785(VA ?) has a Henry Jr born 30 Dec 1802. The Fayette County KY census for Henry Reed Sr. is:

Males 1 26-45
male 1 10-16
Females 1 26-45
females 2 0/10

I might have got carried away yesterday when I sent my email about Hardin County taxes. I remembered when I researched "The Company"(Chester County Militia) I had copied SOME of the entire tax records for Madison County, KY. Sooooo:

Madison County Tax Records:

1789 Leonard Reed white tithables 2 Horses/mares/colts 4

292.0

1790 none

1791 Leonard Reed white tithables 3 Horses/mares/colts 4

I believe on the above tax records you had to be above 16 years of age. And the taxes were done at the end of the year. In 1792 Kentucky became a state and the taxes changed slightly, but was still taken at the end of the year.

1792 Leonard Reed White males above 21 2 wh males above 16/under 21 1
no land noted this year Horses/m/c 4 cattle 4 (this would incl oxen)

1793 sorry I do not have the entire tax records. I do have some R's but Leonard is not on them.

1794 Edward Reed White males over 21 1 Horses/m/c 1 cattle 2
Leonard Reed " " " " 1 " " 3 " 2
118 acres 3rd rate land

The taxes are now being recorded in May and June. This is all I have with the Reed's.
It is possible Leonard bought this land, but we will not hold our breath. Most of the men bought land in Madison County but sold it and moved on. IF Leonard Sr. bought this land when he sells it, his wife has to release her dower rights in the property. It is a possibility.

Edward Logsdon Jr. and George Oller bought their property the same day 02 June 1792, from Green Clay. Though Edward remained in Madison County the rest of his life and died about 1836, George Oller moved on to Hardin County, then Barren County and finally to the Territory of ILL in the southern counties, where he died in March 1823.

There were a lot of Reed's in Madison County, MO. In fact one Leonard Reed married there in 1849. This county was created in 1818 before MO became a state.

Have either of you researched the Missouri land records? I found something very interesting.

On 05-10-1824 Edward Reed of Callaway County, MO bought public land in Franklin County MO. This is the first land record of an Edward Reed buying land in Franklin County. If you are interested go to:

www.glorecords.blm.gov/patentsearch/

It list all the public lands sold in MO after it became a state.

I am not sure if William is a son yet, BUT in 1791 in Madison County Leoanrd has 3 white titables but there is no age that year. In 1792 there were 2 over 21 and 1 16-21,
in 1793 I do not have his tax record, in 1794 Edward is by himself listed above his father and Leonard has 1 16-21 and in 1795 Leonard is not in Madison county and the 1795 Logan County taxes shows only three Reeds, Leonard, Edward and William. This is a printed list and I have not seen them on microfilm. They are the only Reeds in Logan County in 1795. My next tax records are in 1799 in Barren,
and Leonard, Edward and George are listed. Leonard has a son 16-21 in 1799.
In 1800 no tax records, in 1801 Leonard and George, and in 1802 Leonard and Henry.
Henry is listed as over 21.

Isabelle Roberts that married Henry Reed in 1808 in Clay county KY had a father named Peter. Isabelle Reed referred to in the Franklin county court records father was Nathan Robinett. Yes, I believe there are two Isabelle Reed's.

294.61A 01/03

Mary"Polly" Rattles is listed as 39 y/o in the 1850 census born in ILL. with her husband William Rattles and he is 39 also listed as born in ILL.

This is on Rootsweb but it is not true. A John Durbin has posted it. I will quote it:

"Henry Reed born 1785 in KY married Isabel Roberts, she was born 1789 and died about 1845 in MO. He married Miss Keatly.
Children of Henry Reed and Isabelle Roberts"

1. Henry Reed born 1802 in Virginia married Rachel Robinson and died 6 May 1845 in Gasconade County MO.
2. Isabelle Reed born abt 1804 Gasconade MO
3. Elizabeth Reed born 23 aug 1812 same place married Daniel Crider 24 Aug 1826
4. Mary Reeves Reed born about 1814
5. Dunklin Reed born abt 1816
6. James B. Reed born 8 April 1825 in MO and died 9 July 1901 in Lima Bandera TX. He married Francis Yoakum
7. Joseph Verhagan Reed born 22 March 1829 in Jackson MO died 22 March 1915 in Pima AZ. He married Amada Melvina Griffin 23 April 1868
8. Leonard Reed born abt 1806 in same place MO died in Fresno CA(this child should have been listed as # 3)

unquote. This is not my work .

Note Henry Reed Sr. was married in 1808 in Clay County KY to Isabelle Roberts, and by the 1810 census he had only 2 females. This Henry appears to be a brother of a Benjamin A. Reed and William B. Reed. as they both appear in Fayette county Ky on page 17 of the 1810 census all close together.

However the line I have reasearched-Leonard Reed Sr. seems to have had a son Henry Reed born 1780-90. In Barren County KY this Henry appears on the tax list in 1802 by his father Leonard. A man was not taxed in Ky unless he was 21 years old and/or married with a family. So I believe Leonard's Henry was born about 1781. Since I know the whereabouts of Leonard Sr, Henry would be born either in MD or PA. Leonard's first son Edward was born in MD., but by 1781 Leonard was with my ancestor George Oller in Yogohania PA(known as Washington county PA today).

Since I have the will of Henry Reed JR. who died in Gasconade County MO, I know he had no sons named James. This Henry Reed married Rachel Robertson(not Robinson)sister to David Robertson who married Catherine Reed(daughter of Edward Reed and 1st son of Leonard Reed Sr.

Henry Reed Sr. did have a son Leonard Reed, who married a Rhoda Veatch in 1827. She died then he married a widow Rebecca Dodson Branson in 1832. Leonard died in 1839 in Gasconade County MO. and Henry Reed handled his estate. I believe this to be Henry Reed Sr. and I do not know his wife's name but it could be Isabelle Robinett
daughter of Nathan Robinett who died in Franklin county MO in 1826. I believe this Henry married BEFORE 1808. This Henry Reed Sr. may have come to MO as early as 1808-9 with the Simon family who left KY about that time which is three years earlier than Leonard Sr., John, George and Leonard Jr. The history of Gasconade County MO. refers to a Henry Reed being there early but does not give the years.
Besides Leonard Reed who was a son of Henry Sr. there are 3 males and 3 females
on the 1830 Gasconade County census and there is a son 5/10 years of age. This could be your James Burnside Reed born 1825 but I am not sure. I believe Henry Sr. had 9 children at least, Leonard, Sarah, Joseph all married before 1830, an Edward
and 5 other children I have not been able to identify.

I have cc'd three other Reed researchers in hopes they may have something that would help.

Subject: Re: Reed

Well I guess I will stir the pot a little. I have not got all the deeds and read all the court records for Franklin and Gasconade county yet. But I did put this together:

292.01 (01/03)

Edward Reed(s/o Leonard Sr.)from Callaway County MO purchased/sold the following:

05-10-1824 West 1/2 of the NE 1/4 S 27 Twp/ 44N R 2E 80 acres
09-02-1835 East 1/2 of the NE 1/4 27 44 2 80
09-07-1835 SW 1/4 of the SE 1/4 27 44 2 40
11-14-1836 SE 1/4 of the SW 1/4 27 44 2 40

These were all public lands that he purchased. In 1830 Edward and Margaret sold David Robertson sold 7 23/100 acres for $ 14.00. The witnesses to this deed was Edward Reed Jr. and John Reed Jr. On the 26th of May 1834 David and Catherine sold it back to Edward for $ 25.00. David must have improved it. The witness to this transaction was Henry Reed.

Remember the other email Edward and Margaret Reed sold the south end of the east half of the quarter to Henry Reed, containing 60 acres. Two years later Henry and Rachel sold this same property to John Harminghouse/Horinghouse. The witnesses were Edward Reed and David Robertson.

On 18 August 1834 Edward Reed sold to William Wengler the West 1/2 of the NE 1/4 containing 80 acres, AND 20 acres off the North end of the above described property, 100 acres in all. David Robertson witnessed the deed and Edward sold it in his name only.

The next transaction I have: William Reed and Elizabeth his wife is selling Edward Reed Sr. on 31 January 1837 40 acres the NW 1/4 of the SW 1/4 Section 36 Twp. 44 Range 2 East for $ 60.00. The deed is very specific in stating both parties are from Gasconade County MO. The witnesses are Phillis Durbin and Barnard Ridenhour. I am sure Barnard is witnessing for Elizabeth Ridenour Reed and Phillip Durbin is witnessing for Edward Sr. This deed was in the deed books of Franklin county MO. It was recorded by Mark D. Spain two years later 01 Jan 1839. Mark is the Justice of the Peace for Gasconade County MO. and performed a lot of marriages in the county.

It gets better!

On April 28th 1840 Edward Reed Sr. of Gasconade County MO. sells to Margaret Reed the above 40 acre piece of property for $ 50.00 taking a $ 10.00 loss. What is strange about the deed is that it starts out selling to Margaret Reed but in the body of the deed "sell convey and confirm unto the said Abargual(Abigal ?)HER heirs". I put caps on the "her" because Edward Sr. is selling to a woman.

And I do know one Margaret Reed married an Isaac Ridenour about 1841 without looking up the date.

Mike you asked me in your email why I did not think the John and Mary was Edward Reed's son that sold the property in 1830 to Walter Tucker. John Reed the son of Edward Reed and Margaret Close is on the St. Louis 1830 census living right next door to Thomas Hooper, his FIL. The history stated John lived in St James for a few years before coming to Franklin County. The history ALSO stated Edward's John served in the war of 1812 and we all know better because he would not be old enough. IF this was NOT another John, it could only have been John Reed who married Drucilla Durbin in Barren County.

If my memory is still intact, when Leonard Reed Sr. was in Yogohania VA/Washington County PA. in the 1780's, there is a John, Joseph and Leonard on the tax records. Leonard is the one who served with my Oller's, Logsdon's and Simon's.

I would like for all of you to know I have found one George Reed who settled and bought land in Frederick County

Md. in 1763.

Go back to the deeds that I sent to you:

22nd July 1830 John and Mary Reed sell to Walter Tucker. This land was originally purchased by John Reed JR. 09-01-1828. It was public land sold by the state of MO.

11 Jan 1833 Leonard Reed and Providence(NOT Prudence)to Wm. Keetly. This land was originally purchased by John Reed JR. 10/20/1826 and sold to Leonard Reed
3rd May 1832.

-292.04 (01/03)

11 Jan 1833 Henry Reed and Isabel sell to Leonard Reed. This land was originally purchased by Henry Reed 09-24-1821 thru the public land sales.

-292.013

Again I remind you all that John Reed the son of Edward is in St. Louis County in 1830. And John Reed the brother of Edward is in Franklin County because his daughter Priscilla marries there in 1826, but his wife's name is Drucilla.

-146.0

The term "Jr."for the above John Reed only means there is an older John Reed around, which is probably John Reed brother to Edward, as he bought public land on the same day as Edward, 05-10-1824.

We seem to have a small problem.

Mary Reed Reeves born 1814 in Mo that married George W. Reeves states on the 1880 census her mother and father was born in KY.

John Reed that married Drucilla Durbin is the only child of Leonard Reed Sr. and unknown wife that could have been born in KY and he states as much on the 1850 and 1860 census.
According to St. Michael's cemetery records John was born in 1789. I cannot place Leonard Reed Sr. in KY. with his family prior to 1788. Edward Logsdon sold his property in Yogohania(Washington County PA)in the spring(I think it was May, without dragging everything out on the Logsdon's)of 1788. In a court record Edward Logsdon and George Oller got into some type of trouble and they were fined in Madison county KY. The fine was in 1789 but the court stated they had to pay back to 1788. A court would not charge you if you were not in the state.

We have two other Reed families in Gasconade county in 1828, one William Reed and an Amos Reed whose wife is Mary Reed. William nor Amos appears on the 1830 census, but Mary Reed a widow does, with children ranging as young as ten and up to 20.

At this time we will leave her in the family under Henry.

I apologize for not sending information to all of you sooner. It seems like I am in slow motion since I have retired.

My computer has been out of commission for about 2 weeks.

I do have some good news that I had mixed up. I guess I had better read all of the tapes before I continue. And I need to order more tapes.

Rhoda Veatch Reed did not die, nor did her husband Leonard the son of Henry(born 1781). They are living and on the 1840 Gasconade county MO. census. I have found some deeds proving the Leonard Reed Jr. living next to Bernard Ridenhour in Gasconade county in 1840 is still alive and the son of Henry Reed the elder.

So the Leonard Reed who was married to Rebecca Branson, cannot be the son of Henry. I can only assume this is the son of Leonard Reed(son of Leonard Reed and unk wife)since Henry took care of his estate with Rebecca. So you need to change your records for Henry. I have lost all of my info that anyone has sent to me that I did not print out.

I would appreciate any of you sending me the file that I emailed you sometime ago on Henry Reed(son of Leonard Sr.).

Just to stir the pot today. This is especially for George Reed's descendants, probably. We just never know who our relations are. From the chnacery books of Carroll County MD. Bk 13 pgs. 295-311. Joseph Wilson and others vs. William Wilson. Sale of real estate in Frederick county MD on Little Pipe Creek being part's of Wilson's Inheritance and Resurvey on Susan's Fancy 1862 Equity # 724
"William Wilson Sr. died in Nov 1849, intestate, leaving widow Elizabeth Wilson.
Children:Joseph Wilson, Jacob Wilson, George Wilson, Elizabeth Shew wifew of Hnery Shew, Nancy Row wife of Isaac Row, Mary Ann Durbin wife of John Durbin,
William Wilson,Catherine Edwards of Knox County OH deceased wife of Moses Edwards, Susannha Shuey deceased, wife of John Shuey, mother of Mary J. Hilbetts,Elizabeth Shuey, Debora Shuey, Nancy Shuey, Susannah Shuey, Sarah Shuey, Monro Shuey, and Lucinda C. Shuey(all out of state)."

The 1860 census of Franklin County MO shows John Shuey/Shuee born in MD
56 years of age and wife Deborah 56 born in PA. John Shuee/Shuey married Susannah Wilson, she died then he married her sister Deborah Wilson. We know George Reed(s/o of George Reed and Tabitha)married Nancy Shuee in 1857, Peter Reed his cousin, s/o of John and Mary married Sarah Shuee in 1856. And someone wrote old George Reed the father married Deborah Shuee/Shuey in 1867. I have not seen this census to be sure it was old George Reed. There was also a Cennetta ? that married James Monroe Shuee/Shuey in 1862 in Franklin County MO. There was a Zenetta that was 12 y/o living with George and Tabitha and I believe she was with them in 1850. It would be hard for me to believe this is their child. Tabitha is 59 or 57 y/o in 1860, but in 1850 she was 47. She could be hers. She would only be 14/15 y/o when she married.
There is another item that I will never be convinced of and that is the Margaret Reed who married Isaac Ridenhour is a child of Edward's. Margaret Reed Ridenhour is 38 y/o in 1860. I could not find her in 1850. And there is a child in Edward's household
in 1830 that is 5/10, but there is also another family living with him. Margaret is shown as 50/60 y/o in 1830 and we know she dies after 1834. But there is a female
40/50 y/o(born 1780-90). I do not know who she is but I believe her to be the mother of Margaret.

My latest find is a court record in Franklin County MO. One William Renick/Rennick
was accused of horse stealing. Not every record is dated so I put this around the Nov court of 1828. Henry Reed, Leonard Reed Sr, Leonard Reed Jr., Christopher Reed,
William Enloe,Henry Ware(could also be Weir)Daniel Crider. Leonard Watson and
Uriah Burns came into court and indebted themselves to be levied 50.00 dollars

> Alias: Isaac /Francis/
> Josephus Durbin was married in 1939 to Elizabeth Simpson, the first couple to wed in the newly named Christian County, IL (formerly Dane County). They were married by Squire Joseph P. Durbin who was John Vincent's grandfather. They had 5 children. On Nov 20, 1870, Josephus married Mrs. Margaret Peggy Logsdon Burtle and they had 4 children. Their daughter Sarah Jane born in 1874 was my grandmother with whom I lived for 8 months during my 13th year in order that I could attend 8th grade at St. Mary's School in Taylorville. Grandma Sarah died on April 29, 1943 of pneumonia at St. Vincent's Hospital.
> Josephus was a red haired man of large stature, a farmer, woodcutter, hunter and explorer. Sarah told me that he would take off walking toward Kentucky to see relatives when she was a young woman. He was well known in Bear Creek Township. A picture of him exists (a photo of a painting) showing him in a military jacket with gold buttons. His hair is white and he wore a mustache. I am searching Civil War records for his possible service.

4. JOHN^{3} DURBIN *(SAMUEL^{2}, THOMAS^{1})* was born Abt. 1734 in Baltimore, Maryland, and died 1797 in Harrodsburg, Kentucky. He married ANN LOGSDON Abt. 1762 in Maryland, daughter of THOMAS LOGSDON and MARY LOGSDON. She died 1800 in Barren County, Kentucky.

Notes for JOHN DURBIN:
John "traveling preacher", son of Samuel Durbin and Ann Logsdon, was married to Ann, daughter of Thomas Logsdon and Mary Logsdon, first cousins, Maryland circa 1762.

John Durbin, according to James Virden of Versailles, Ohio, was the first Durbin in Kentucky, arriving with Daniel Boone in 1775, and was one of the axmen who blazed the Wilderness Trail.

The Filson Club in Louisville, KY has a book on the Hayes family which contains a list of the men with Boone in 1775. William Hayes and William Bush (Captain Billy Bush) are mentioned, but John Durbin is not. This list was compiled by a researcher of the Daughters of the American Revolution.

According to James Virden, John and Ann had a daughter, Mary, in Pennsylvania in 1775, and according to the census of Richland County, Illinois in 1850, another daughter in Kentucky in 1780. This second daughter was Nancy, or Annie. John Durbin, then, came to Kentucky between 1775 and 1780, and settled in an area near Harrodsburg or Boonesboro. He was killed in Harrodsburg in 1797, according to James Virden.

Ann and son, Austin (or Augustin) were on the tax list of Madison County in 1797 and 1799. Since a part of the family was already living in Barren County, Ann and Austin moved there in 1800; Ann dying the same year.

It is said that Thomas and John Durbin were engaged in mining saltpeter (potassium nitrate, used in medicine, gunpowder, and for fertilizer) from the Mammoth Cave, now in present Edmonson County. Hearing reports that saltpeter abounded in another cave, known then as the Haunted Cave, they decided to investigate. They arrived at the cave late in the day and found that the report was true. The cave promised successful digging, so Thomas told his brother John to return and get the tools and he would remain at the cave.

When night came, Thomas Durbin built a small fire in the mouth of the cave and prepared to rest and sleep as he was somewhat weary. He stretched out before the fire but had barely closed his eyes when he heard a rip-roaring noise from within the cave. He seized the rifle by his side and peered in the direction whence the noise came. By the dim light from the fire he could indistinctly see the outline of an object perched upon a ledge of rock. Leveling his fouling piece at the object he fired and at the crack of the rifle, the object fell from its perch. Next morning upon investigating, he found he had killed a mammoth hoot owl. That was the end of the haunt. It is needless to say the the Durbin brothers engaged in mining there unmolested by other diggers.
[From Durbin-Logsdon Genealogy by Betty Jewell Durbin Carson]

Children of JOHN DURBIN and ANN LOGSDON are:
6. i. JOHN^{4} DURBIN, b. Abt. 1776, Maryland; d. 1831.
ii. HONOR DURBIN, d. Unknown; m. JOSHUA BROWN; d. Unknown.

Notes for HONOR DURBIN:
Honor was married to Joshua Brown. Joshua Brown had been in the same Revolutionary War Company as Edward Logsdon and John Simons. All are believed to have migrated to Kentucky. Joshua and Honor lived in Hardin County, and may or may not have gone to Illinois. [Durbin-Logsdon Genealogy]

iii. SUSAN DURBIN, d. Unknown; m. JOSEPH LOGSDON; d. Unknown.

iv. THOMAS DURBIN, d. 1835, Illinois.

Notes for THOMAS DURBIN:

Thomas is believed to have never married. It is thought he migrated to Illinois in 1832/1833. In September 1835, Phillip E. Durbin was allowed $7.50 by the State of Illinois for keeping Thomas Durbin, a pauper. Phillip E. Durbin was married to a niece of Thomas. Phillip E. was allowed $40.00 for keeping Thomas Durbin in 1835, and since this was the last year a payment was recorded, Thomas is believed to have died in 1835. [Durbin-Logsdon Genealogy]

v. DRUCILLA DURBIN, d. Unknown; m. JOHN REED, 1805, Barren County, Kentucky; d. Unknown.

Notes for DRUCILLA DURBIN:

Drucilla Durbin & John Reed moved to Illinois in 1826.

vi. MARY DURBIN, b. Abt. 1775, Pennsylvania; d. Unknown; m. WILLIAM TURPIN; d. Unknown.

7. vii. ANN DURBIN, b. Abt. 1780, Kentucky; d. Unknown.

viii. AUSTIN DURBIN, d. Unknown; m. SARAH RICHARDSON, May 12, 1807, Hardin County, Kentucky; d. Unknown.

Notes for AUSTIN DURBIN:

Austin, or Augustin, was on the tax list of Barren County, with his brother Thomas, from 1800-1803, and for 1805. It is known that they were taking saltpeter from the Mammoth Cave for gunpowder in those years. Saltpeter was selling for about 17 cents per pound then, but rose to $1.00 per pound during the War of 1812. The United States could have lost the war had it not been for he saltpeter from Mammoth Cave. Austin moved to Hardin County in 1806 and there was married to Sarah Richardson, parentage unknown, May 12, 1807. Soon after 1810, Austin and family left Hardin County and are believed to have migrated to Mississippi or Louisana. According to a book published by the Edmonson County Historical Society in 1986, Austin Durbin and Sarah were members of the Green River Baptist Church which was formed in 1803 at Amos Ferry on Green River in Woodsonville.
